ROY EVERETT FRANKHOUSER, Jr., 153 West Oley Street, Reading, Pa., voluntarily advised that he is desirous of registering under the Foreign Agents Registration Act of 1938. He exhibited a printed slip of paper cut from context giving an excerpt of the Act, and advised that he recently had the Act called to his attention, and feels that he should register lest he get in trouble.

FRANKHOUSER advised that for about the last year he has been gathering information relative to racial matters, civil disorder (particularly where racial issues are involved) and any information he can obtain about matters such as a breakdown of percentages of crimes by race. He specifically mentioned a release the Philadelphia, Pa., Police made recently listing percentages of murders, rapes, etc., committed by Negroes as opposed to Whites.

He related that all this information is taken from public source material, particularly the local newspapers, and he gathers it alone. It is then turned over to [redacted] who types it up and sends it to several persons in Johannesburg, Union of South Africa. According to subject, [redacted] has the names and addresses of several persons to which the material is sent, but he does not recall any of them offhand.

FRANKHOUSER is doing this for the benefit of "SABRA" the South African Bureau of Racial Affairs. It is wholly unsolicited and he is not paid for this "work." In response to a direct question as to why he was sending this material to SABRA, and details of the number of letters sent, FRANKHOUSER stated that he has had [redacted] write several letters over a period of several months. FRANKHOUSER claims that receipt of this material has never been acknowledged in so many words, although he does receive literature from SABRA in turn.

Subject also related that it is his intention in the future, although to date he has not done so, to distribute literature on behalf of SABRA and make public speeches regarding the South African situation.

Re memo SA [REDACTED] 4/13/60.

For info WFO, ROY FRANKHOUSER, mentioned in reference memo is ROY EMMETT FRANKHOUSER R. JR., 153 West Oley Street, Reading, Pa., telephone number (unlisted) Franklin 6-1391, age 21, who is on the Bomb Suspect List of the Philadelphia Office.

FRANKHOUSER, who has on several occasions voluntarily contacted the FBI to "explain his activities" has admitted being at ROCKWELL's meeting and headquarters on about 4/10/60, and said that on that date someone threw a black powder bomb into ROCKWELL's premises, but it failed to explode.

The restaurant named Lunt or Locke referred to is undoubtedly the home (not a restaurant) of [REDACTED] Reading, Pa., another Bomb Suspect and close friend of FRANKHOUSER.

FRANKHOUSER is in all probabilities a psychopathic case. He is or has been affiliated with the K.K.K. by his own admission, and with the White Citizens' Council, Northern League, Socialist Workers Party and possibly other groups. He maintains that his affiliation with these organizations is moved by curiosity. In view of his unstable personality and lack of discretion, no consideration is being given to his use as an informant. FRANKHOUSER and ROCKWELL were reportedly in telephonic contact in January 1960 and on 1/16/60 FRANKHOUSER and [REDACTED] age [REDACTED], another Bomb Suspect, visited ROCKWELL in Arlington, Va.

[REDACTED], who is carried as a Source of Information, advised 5/5/60, that she wanted to advise she believes subject is no longer working at Dick Brothers. Although he continues to leave each morning, carrying his lunch, and returns home at the usual time, he has said several times he expects to be laid off and on the evening of 5/2/60, told her he had to report for work the next day (5/3/60) at 9 p.m., she had been "bumped" to the shipping room. Yesterday and today he left home about 8:30 a.m.

Source advised that on Saturday, 4/30/60, ROY left home about 11 a.m., to meet a man at the Depot. He did not return until about 6 p.m., at which time he was accompanied by [REDACTED] of Philadelphia, Pa., of whom he has spoken before.

According to what ROY later said, he and [REDACTED] met with a Berks County Record reporter, either in the Crystal Restaurant, the Record offices, or both that afternoon, and before first appearing at FRANKHOUSER's home. [REDACTED] carried a briefcase and was overheard to refuse a bottle of beer by saying, "I want a clear mind. Those people will try to trip me up." He also told ROY to "Go easy on the anti-Jewish stuff."

Source related that [redacted], according to what FRANKHOUSER said, is either a physicist or professor, but appears to be an ignorant "odd ball." He and ROY had discussed going to the Muhlenberg Shopping Center in Muhlenberg Township, near Reading, Pa., but apparently did not since the picketing they had expected to occur there did not take place.

After FRANKHOUSER and [redacted] left the former's home ROY made a call to [redacted] and talked in "double talk." Source has the impression that FRANKHOUSER was carrying out his pretext of contacting the businessman in Reading who is the head of the local group as he repeatedly asked, "Then you don't want me to give him your number?" During this call FRANKHOUSER apparently turned from the phone and said, "Hello Mr. [redacted]."

Source also made available a letter which FRANKHOUSER had received, probably the day previous. This letter bears the return address "[redacted], Philadelphia, 4, Pa.," and is postmarked 5/3/60. The typewritten letter inside is headed "Niggerdelphia, 4, Pa., [redacted], - 5/2/60." It is addressed to Mr. ROY FRANKHOUSER, Jr., [redacted] and reads as follows:

"Dear Sir:

"Here is a possible press release to the Record. You can edit it as you see fit. Since you are using an assumed name you might not want to show the Record this letter.

"The Philadelphia representative of the National Association for the Advancement and Preservation of the Majority of White People (NAAPMWP) conferred with the Reading chapter of the NAAPMWP and the Citizens Councils. Both cities possess young, vigorous, dynamic and patriotic chapters, which are expanding. Mongrelization and white civil rights are the two chief topics in everybody's mind. Anti-discrimination laws, such as FEP laws, forced racial admission laws, and unfair housing laws strike down white civil rights.

"Under forced racial admission laws white skating rinks and swimming pools, privately owned, have to admit black people.

PH 105-4158

"The Reading area will elect one State Senator and four State Representatives to the Pennsylvania State Legislature. The NAAPMWP will want to know the position of all candidates on unfair housing, and other communist, anti-discrimination laws.

"Down with Mongrelization,
/s/ [redacted]"

According to the source, [redacted] attempted to contact ROY FRANKHOUSER one day last week, but ROY was not home. [redacted] explained that his parents were away, else he could not have made the call, as he has been forbidden to have any personal contact with ROY or even to call him. [redacted] claimed he is not allowed to make any calls or even to answer the telephone at home when his father is there and must come home immediately after school each day.

[redacted] related he tried to talk ROY out of that picketing, but to no avail. He also stated he has been "attacked" several times by Negroes in the past week, but was able to outrun them each time. [redacted] wanted [redacted] to be on the alert lest someone attempt to attack her in ROY's absence.

[redacted] admitted to [redacted] that he had been mixed up in "something" before ROY got in touch with him and added ROY claimed he had a big following, but it was only Mr. [redacted] and [redacted]. [redacted] had previously stated his dislike for the [redacted] family and stated that he cannot understand the man. He also said "an FBI man from Philadelphia contacts [redacted] about once a month, we can't figure out which side he is on." [redacted] related he had seen the Magazine Section of the Eagle last Sunday, with a writeup on the FBI and the Philadelphia FBI man who was pictured therein was the man who contacts [redacted]. (This is SAC HENNRICH)

On the evening of 5/4/60, ROY FRANKHOUSER told source the man where the cross was burned in Mt. Penn (Pennside) is a Communist. Also ROY claimed that [redacted] had been confronted at the Lower Alsace Township Police Department by two men who positively identified [redacted] as one of the two youths they had seen stick the cross on [redacted]'s lawn and light it. According to FRANKHOUSER, "These two men were not residents of the area and no one knows who they are. This was a complete frame."

PH 105-4158

Source also advised 5/5/60, that insofar as he is aware, FRANKHOUSER owns only one hand gun. He does, or at least did, have a large collection of old military rifles, swords, etc., but these are no longer at his home. Either he disposed of them or they are in the possession of [redacted] [redacted].

ROY has gotten back the German Mauser automatic which [redacted] borrowed, but the only other hand guns source knows him to possess are toys. One is a toy "cowboy type" gun, a cap pistol, which FRANKHOUSER sometimes wears at home. He has been seen to wear this standing before the TV set and try to outdraw the stars in the "Westerns."

The other gun is a small black metal replica. It has no moving parts and in no way resembles either a Colt Army automatic or a German Luger.

FRANKHOUSER once mentioned the possibility of borrowing his father's gun to take to a CAP exercise, but source does not know if he did, nor what kind of a gun ROY FRANKHOUSER, Sr. possesses.

ROY E. FRANKHOUSER, JR., 153 West Oley Street, Reading, Pa., voluntarily appeared at the office. He advised that he assumed the FBI wanted an explanation of his recent activities, and it was explained to subject that he would not be called to account for his actions to the FBI unless he were involved in some criminal matter within the jurisdiction of this agency.

FRANKHOUSER stated that he had nothing to do with the cross burning which took place in Pennside several days ago. He maintained that he learned of it when he called a Berks County Record reporter that he had talked with April 23, 1960, when he and [] were picketing the pickets at the Reading Dime Stores.

Thereafter ROY got a call from [] and [] stated his dad had been called by the Lower Alsace Township Police about this matter. Thereafter ROY took the initiative and called the police. A Sergeant [] (phonetic) told him to come to the department if he had anything to discuss and ROY did this. On arrival he maintained that he was "interrogated" for three hours, and that the police knew all about him. He stated that undoubtedly they had been in touch with the Anti-Defamation League, since they even knew his father had been anti-semitic prior to World War II.

FRANKHOUSER stated that he had been at a CAP meeting at the time the cross was set on fire and had no idea who might have done it. He theorized that it was either [] himself or else the NAACP who did this, the latter because they were seeking sympathy.

On Saturday, 5/14/60 [REDACTED] ~~Source~~ telephonically advised as follows:

On Thursday 5/12/60 [REDACTED] called from Philadelphia, during the early afternoon and spoke with FRANKHOUSER. The conversation lasted several minutes, and during the course of it ROY said "The northwest corner of 19th and 20th. **** You mean [REDACTED]. I don't know about that." However [REDACTED] did most of the talking and source could not determine the gist of it from what she heard ROY saying.

ROY left home about 12:30 PM on Friday, 5/13/60. He said that he was going to sign up for unemployment, then visit his father, and from there was going to Philadelphia, and that he would be home late Friday night. However as of 1 PM 5/14/60 he had neither returned nor contacted [REDACTED] to explain his delay. Source related that previously he always called when he was delayed.

Source also related that [REDACTED] had called [REDACTED] parents, and spoke to Mrs. [REDACTED] but got a "very cold reception". Mrs. [REDACTED] apparently feels that [REDACTED] is not involved in anything serious, and has not been in contact with ROY FRANKHOUSER in recent weeks.

According to source, ROY has stated that [REDACTED] is a great advocate of ROCKWELL (George Lincoln Rockwell) but his parents don't know this. She also advanced the theory that the Berks County Record article several weeks ago which mentioned "a meeting in an apartment on Penn St.", might possibly refer to the residence of [REDACTED] who does, or at least did live in the 1000 block of Penn St. [REDACTED] is a German boy who occasionally visits [REDACTED]. ROY recently mentioned that [REDACTED] has joined up. This is the only [REDACTED] subject knows, to source's knowledge. He is about 23 years of age, and works in his Uncle's beauty shop. [REDACTED] is the name of the Uncle.

The Reading City Directory lists [REDACTED] as the proprietor of [REDACTED], and lists one [REDACTED] at the same address.

ROY FRANKHOUSER Sr., called [REDACTED] several days ago, and they discussed ROY, Jr.'s activities. Mr. FRANKHOUSER professed complete ignorance of them, and denied having seen the subject's picture in the Record recently. He has offered to let ROY, Jr., resume residence in the father's home.

Jew starts heckling again. If he heckles, [] will stick his nose into the heckler's face and mention something to the effect 'you G-- d-- Jew shut up, I want to hear this man speak.' [] has been picked for this assignment because he hates Jews, and last week he had to be physically restrained from hitting a Jewish photographer last Saturday. [] appears to be maniacal when he talks about Jews. ROCKWELL did most of the talking and figured this plan out. Also present while the plan was being discussed were [] [] and a short, blond fellow, [].

"They feel [] is so vehement that he will not be able to restrain himself, and they are trying to teach him to back off when he sees a blue coat, which represents a policeman.

"ROCKWELL intended to use [] to say a few words in German at the next rally condemning Jews. However, [] and [] were against the idea, and [] pointed out there should be no connection of this Party to Germany. Thereafter, ROCKWELL forgot the idea.

[redacted], mentioned above, stated that he has 600 on his list, and that he has 60 members. He claims that they meet in public libraries in Reading.

"FRANKHAUSEN is extremely nervous, and he admits that he is 'chicken' but still claims that he wants to be accepted as a member. He explains his nervousness since he spent five months in jail."

"There was another young man present in his twenties, European looking, with a prominent, thin, pointed nose, who claimed to be from Frankfurt, Germany. This man claims that he is Polish, Czech, Hungarian, and his mother tongue appears to be Hungarian. The reason for his being there was not made clear, but he wants to come to rallies. He is not a citizen, and ROSENWALL warned him about this; that it might get him in trouble. He left after a short time on his bicycle. [redacted] is supposed to translate a leaflet into German for ROSENWALL. [redacted] and [redacted] have advised that they have a soldier in the United States Army in Germany. SUBJECT: - UNSUBS; Cross Burned at home of
[REDACTED]
Pennside, Pa., 4/26/60
Racial Matters

At 11:50 AM this date an individual who identified himself as [REDACTED], a reported for the Berks County Record, Reading, Pa., Weekly paper, telephonically contacted the FBI in Reading.

[REDACTED] asked to who he was speaking, and was told. He then asked if SA [REDACTED] could tell him anything about the White Citizens Council and any activities thereof in Reading, Pa. He was advised that the FBI is prohibited by law from furnishing such information to unauthorized persons, and writer stated that "I cannot make any comment on such a matter".

[REDACTED], apparently in an effort to elicit some information which could be published related that this name had come up last Saturday. [REDACTED] was covering the picketing of local 5 & 10 stores in Reading on the afternoon of 4/23/60 and observed ~~xxxxxx~~ about 30 to 40 persons so engaged, most of who were Albright College students and white. He also observed two white youths who were conducting a "counter-picketing" and in the interest of getting a story spoke to these persons. According to [REDACTED] one youth was a large, heavy set boy about 18 years old, with red hair and a pimply, blotched complexion. The other youth, who was the spokesman for the two was also white, about 20-22 years old, of small build with brown hair and a small mustache. This latter youth did all the talking for the two and claimed that he was a representative of the White Citizens Council. He refused to give his name, but did say, according to [REDACTED], that he knew the FBI Agent, [REDACTED], in Reading, and had talked with him. He did not say when or why, or what he had been to the FBI about, and [REDACTED] gathered that the boy was bragging about his contacts.

[REDACTED] stated that these two "counter pickets" had some sort of a loud speaker system, and were quickly chased away by the Police. However the spokesman for the two did say that he had been threatened as a result of his activities. He claimed that he was not the local head of the White Citizens Council, but promised to contact his "boss" and try to arrange for [REDACTED] to attend a meeting on the afternoon of 4/27/60. He declined to say where this meeting would be, or name his boss, but stated that he would contact

wed/rd

[] on the afternoon of 4/27/60 and ~~take him~~ pick him up and take him to the meeting if he still wanted to go. As of the time of calling [] had not again heard from this person again, but he did receive a call from a woman last night who claimed to be a secretary for "The Leader" and wanted to know who he ([]) was. [] stated this woman was very vague in the information she had, and he got no satisfaction from her.

[] later got another call from the youth he spoke with before in person, and this individual mentioned the meeting of 4/27 again. He told [] that the Unit in Reading was making their "first public appearance" but had been in existence about 6 years. He told [] in answer to a question that "we are not Klansmen, the KKK is defunct, but some former Klansmen belong to our group".

[] also asked if SA [] was aware of the Cross which was burned in Lower Alsace Township last night. He related that he had tried to get details from the Police without success, but intended to run a big story in the Record on the issue of 4/28/60. He was given a non-committal answer to this. He also related that the youth living at the home where the cross was burned was a boy named [] (PH) who was one of the Albright College Students that participated in the picketing of the local Dime Stores on 4/23/60.

This information is being submitted in the event that [] attempts to attribute anything to the FBI in connection with the story to appear. Writer was courteous but made no positive statements, and neither affirmed nor denied prior knowledge of any of the incidents referred to above.

During the course of obtaining background information about the cross burning in Pennside, only Chief GEORGE WELLS and Officer [], both of the Lower Alsace Township PD, were contacted, and they were cautioned against making any mention of the FBI interest in this matter. Chief WELLS assured that this would be done. He stated that [] of the Record had called to get details of the Cross Burning soon after it happened, and also he got calls from persons purporting to be NAACP members, and local ministers, all expressing interest. He has given out no information to date and does not intend to do so, but the wide knowledge of the matter leads him to believe that the persons who burned the cross must have told others, including [] about the incident.

The [] family desires no publicity and they too have been plagued with calls, but have said nothing, they assure WELLS.

Re: ALLEGED FORMATION OF WHITE
CITIZENS COUNCIL UNIT AT
READING, PA., 4/30/60

The Berks County Record, Reading, Pa., a weekly paper published at Reading, Pa., carried in its issue of April 28, 1960, under the headline "White Citizens Council Emerges Here; Protests Negroes' Picketing" an article reporting the picketing of three downtown Reading "Dime Stores" by National Association for the Advancement of Colored People (NAACP) representatives, under local NAACP Chapter President ARTHUR TEMPLETON, on Saturday, April 23, 1960.

Reading Police advised that about 30 pickets were active on that occasion, mostly white youths from Albright College, Reading, Pa., and the picketing was orderly. According to the article "completely unexpected was a counter-demonstration staged by persons who said they represented the White Citizens Council of Reading." These counter-pickets, the article continued, refused to identify themselves and were made to "run along" by the police, when they tried to use a loud speaker to harangue the crowd, for which they had no permit. This article quoted one of the counter-pickets, identified only as [redacted] who was asked by the Record reporter if they were affiliated with the Ku Klux Klan and answered "We have Klan members with us."

The same issue of the Record reported the burning of a cross in front of a Pennside, Pa. home April 26, 1960, and related that [redacted] the son of the owner, who also lived there, was one of the white Albright students who picketed April 23, 1960, in support of the NAACP.

The Berks County Record of May 5, 1960, page one, headline reads "Battle Lines Forming in Ideological Struggle: 'White Citizens' Organizer Seeks Members; Negroes Plan Boycott." The single quotation marks around 'White Citizens' appear in the headline. Two stories appear on page three of this weekly edition. One pertains to the proposed boycott and quotes CALVIN D. BANKS, Field Representative of the NAACP assaying, "I feel it is a mistake to use halfway measures against these stores." ARTHUR R. TEMPLETON, President of the local NAACP chapter is quoted as saying the picketing was not directed primarily at the Reading stores but "at the segregationist policies of the national chains in Southern communities." According to the article, both BANKS and TEMPLETON said that if the picketing is not effective, they will consider boycotting the three stores. The next picketing (according to the article, not quoting anyone), is tentatively planned for Saturday, May 14, and is expected to continue on a weekly or bi-weekly schedule.

The second article on page three is captioned "While Police Probe Cross Burning: 'White Citizens' Organizer Here; Recruits Members." Again the single quotation marks around 'White Citizens' appear in the headline. This article reads in part, "In town last Saturday was WILLIAM H. OSMOND, of Philadelphia, identified as executive counselor for the White Citizens Council."

It was not stated who so identified him. The article also carried a small one-column picture of OSMOND identified as "WILLIAM H. OSMOND--Organizes Whites."

According to the Record story, OSMOND visited the Reading Eagle (Reading daily paper) who refused to give him any publicity. He was reported as being in Reading April 30, 1960, and told this reporter (for the Record) that he welcomed

publicity. Then followed a "rehash" of the previous week's article on the picketing and counter-picketing. The article then continued:

"Asked about the cross-burning incident *** OSMOND vehemently denied that his organization had perpetrated the outrage mindful of Ku Klux Klan terrorism.

'We haven't the faintest idea who burned that cross' OSMOND said. 'If the Klan members in our group had done it, however, we wouldn't expect them to admit it.'

Because the Record publicized the cross-burning incident in last week's issue, a meeting scheduled by the White Citizens Council here last Saturday attracted far less members than anticipated.

Details of the meeting were kept secret, but OSMOND said about 20 persons attended the session in a private home on Penn Street.

The meeting was described as 'somewhat chaotic, without any semblance of parliamentary procedure', with those in attendance agreeing on two major points:

- 1 - To recruit more members here; and,
- 2 - To oppose actively any integration attempts by Negroes, particularly those seeking to join swimming pool associations.

Asked if active opposition meant violence, OSMOND replied: 'Our group does not advocate the use of violence and we don't intend to use it. However, I'm afraid that it might be inevitable.'

He said that the White Citizens Council prefers to carry out its objectives 'through our educational program, and through the cooperation of various civic groups.

OSMOND further disclosed that his organization has sought to influence local realtors 'to fight fair housing legislation.'

He said the white supremacists would counteract any future demonstrations staged here by NAACP members or sympathizers.

OSMOND refused to divulge the names of local members or bankers. Such public disclosure, he said might jeopardize members' jobs."

[redacted], age [redacted], and ROY EVERETT FRANKHOUSER, JR., aka, age 20, are known to be the only two persons who did counter-picketing on April 23, 1960.

Information was received on May 5, 1960, from a source who is close to ROY E. FRANKHOUSER, JR. to the effect that about noon on April 30, 1960, ROY met [redacted] of Philadelphia, Pa. at the train station in Reading, Pa. About 6:00 p.m., that same day, [redacted] and FRANKHOUSER went briefly to ROY's home and when they left stated they were going to a meeting, which source believes was at the home of [redacted], Reading, Pa. In any event, [redacted] was present.

This source also made available a letter FRANKHOUSER received about May 4, 1960. This letter bears the return address "[redacted], Philadelphia 4, Pa." and is postmarked May 3, 1960. The typewritten letter inside is headed "Niggerdelphia, 4, Pa., [redacted] - 5/2/60." It is addressed to Mr. ROY FRANKHOUSER, JR., [redacted], and reads as follows:

"Dear Sir:

"Here is a possible press release to the Record. You can edit it as you see fit. Since you are using an assumed name you might not want to show the Record this letter.

"The Philadelphia representative of the National Association for the Advancement and Preservation of the Majority of White People (NAAPMWP) conferred with the Reading chapter of the NAAPMWP and the Citizens Councils. Both cities possess young, vigorous, dynamic and patriotic chapters, which are expanding. Mongrelization and white civil rights are the two

chief topics in everybody's mind. Anti-discrimination laws, such as FEP laws, forced racial admission laws, and unfair housing laws strike down white civil rights.

"Under forced racial admission laws white skating rinks and swimming pools, privately owned, have to admit black people.

"The Reading area will elect one State Senator and four State Representatives to the Pennsylvania State Legislature. The NAAPMWP will want to know the position of all candidates on unfair housing, and other communist, anti-discrimination laws.

"Down with Mongrelization,

NAACP CONSIDERS STORES' BOYCOTT

Continued picketing -- and possible boycott -- of three downtown stores by the National Association for the Advancement of Colored People was indicated this week, following a visit here by a NAACP official.

Calvin D. Banks, field representative for NAACP, told local members Monday night: "I feel it is a mistake to use halfway measures against these stores."

He was referring to three 5- & -10 stores -- S. S. Kresge's, F. W. Woolworth's and W. T. Grant's -- whose stores in Southern states have been picketed by NAACP members and sympathizers for alleged discrimination practiced at their lunch counters.

On Saturday, April 23, all

three Penn Street stores were picketed in what was described as "a sympathy demonstration."

Arthur R. Templeton, presi-

dent of the local NAACP chapter, said picketing was not directed primarily at the Reading stores "but at the segregationist policies of the national chains in Southern communities."

If picketing is not effective, both Banks and Templeton said, they will consider boycotting the three stores. The final decision, they said, rests with national NAACP headquarters.

"Our protests must reach all the people," Templeton said. "We must spread the word through churches, social organizations and, if necessary, with house-to-house calls."

The next picketing is tentatively planned for Saturday, May 14, and is expected to continue on a weekly or bi-weekly schedule.

Templeton stressed that the demonstrations are not aimed primarily at the local stores, but are protests against the chains' policies in the South.

Page 12

LETTERS FOR THE RECORD

Peace, It's Wonderful

How come there was nothing in the dailies about the NAACP picketing of three downtown five-and-dime stores? And how come there was no publicity about the demonstration put on by the White Citizens Council, which police broke up? I myself saw both groups of pickets, but no publicity except what appeared in The Record. Isn't this considered newsworthy in the big papers?

CURIOUS
Topton

(According to one of the demonstrators, his group was told by an Eagle editor: "This is a peaceful community and we want to keep it that way." Ergo, no publicity. In light of this editorial philosophy, we're surprised that local dailies didn't ignore World War II. -- Ed. Note).

to the FBI regarding his activities, and has admitted that he and [] were the "counter pickets" on 4/23/60. [] was previously on the Philadelphia Bomb Suspect List.

Insofar as is known in this area, FRANKHOUSER and [], with the possible addition of [], are the entire membership of the so called "White Citizens Council" at Reading, Pa., and it should be noted that the "Record" articles quoting [] do not attribute this terminology to him, and even use quotation marks around the term in their articles at most places.

Attention is also called to []'s letter, wherein he describes himself as "Philadelphia Representative of the National Association for the Advancement and Preservation of the Majority of White People," although mention is made in his press release of Citizen's Councils at Reading, Pa.

FRANKHOUSER is believed to be almost wholly alone in his activities since [] parents have "laid down the law" and forbidden their son to contact ROY in any manner.

The source mentioned in enclosed letterhead memo is [] [], Reading, Pa., [], who wants her identity protected, and who made available the quoted letter after ROY brought it home and opened it himself.

It is noted that the Berks County Record specializes in sensational and "sob sister" type stories.

The Bureau will be kept advised of any pertinent information indicative of the existence or non-existence of this group.

Subject is a white male, [REDACTED] years of age, and resides with his parents and a young brother at [REDACTED], Reading, Pa. He is a Senior in the Reading High School, Reading, Pa. The Bureau has been furnished considerable information previously regarding [REDACTED] who is on the Philadelphia Bomb Suspect List, and who is (or at least was until very recently) a close friend and associate of ROY EVERETT FRANKHOUSER, Jr., also on the Bomb Suspect List.

On 1/29/60, [REDACTED], apparently at the instigation of FRANKHOUSER, voluntarily visited the FBI at Reading, Pa., and gave a lengthy recitation of his past activities. During this he admitted in essence that he and two other high school students had formed an organization which was anti-Semitic, anti-Negro, and anti-Catholic, in its aims. This was conceived by the three during the summer of 1959 and when school resumed in September they began soliciting members. Insofar as can be ascertained these "Members" were generally unaware of the aims and ideals of the organization, and there were no meetings or other activities of the group except "get-togethers" of the three instigators. This organization, which existed mainly in the minds of [REDACTED], et al, is reported to have died a quick, natural death.

FRANKHOUSER reportedly "took [REDACTED] under his wing" and the two made trips together to visit GEORGE LINCOLN ROCKWELL, Arlington, Va., and are definitely known to have conducted an "anti picketing demonstration" against NAACP members and/or sympathizers at a demonstration in Reading, Pa., when the latter group picketed local dime stores.

All indications are that [] parents are bitterly opposed to their son's association with FRANKHOUSER since they have become aware, at least in part, of the pair's activities. However, it is not known how [] feels about this. He has reportedly been ordered by his father to have no contact whatsoever with FRANKHOUSER.

Bureau authority is requested to interview []. The Bureau's approval is being asked because of the youth of subject and the fact that his parents are highly reputable persons. Mr. [] is, in fact, a high official at [], Laurelale, Pa., and has a security clearance, type unknown.

It is possible that because of the restrictions placed on [] activities by his parents there will not be any opportunity to interview him out of the presence of his parents and if this cannot be accomplished, authority is requested, at the discretion of Philadelphia, to interview subject in the presence of his father. In any event two Agents will be present at the interview and subject will be interrogated about his past associations with FRANKHOUSER and his own activities. It is believed the interview, if approved, will not only further alienate FRANKHOUSER and [], but will, through information from [], permit a better evaluation of the potential danger, if any, of FRANKHOUSER.

It is pointed out that Mr. [] was recently interviewed by a local police department as a result of a "Cross burning" incident in Ponnside, Pa., where an individual was reportedly seen who bore a close resemblance to []. The police department, however, is now satisfied that [] was not involved in this matter and FRANKHOUSER was at a CAP meeting at the time, although he too was questioned before this was known.

[] has no credit or arrest record at Reading, Pa. His parents have no local arrest record, but their credit record is satisfactory in all respects.

RE: ALLEGED FORMATION OF WHITE
CITIZENS COUNCIL UNIT AT
READING, PA., APRIL 30, 1960

On June 6, 1960, a copy of the May 5, 1960 issue of the Berks County Record was received by the Philadelphia office in an envelope postmarked June 5, 1960, at Philadelphia, and bearing the return address (affixed on a small printed gummed label) "[redacted] Philadelphia 4, Penna." Printed with a rubber stamp above this label is "NAAPMWP" (National Association for Advancement and Protection of Majority of White People) and in the lower left corner of the envelope is a two inch circular impression of a rubber stamp reading "Remember Little Rock" surrounding the representation of a helmeted figure carrying a sidearm and bayoneted rifle, pointing the latter at two female figures carrying books, and apparently representing a National Guardsman menacing two school girls.

The contents of the article printed in the May 5, 1960 issue of the Berks County Record were previously furnished. However, in the copy received from OSMOND, certain handprinted notations were made, as follows:

On page three where the headline reads "... 'White Citizens' Organizer Here..." an arrow is drawn pointing to "White Citizens" and the words "Strictly Speaking, I am with the NAAPMWP" are inserted in ink. In the story there appears a sentence quoting OSMOND and referring to a cross burned in Pennside, Pa. (on April 26, 1960). This part reads "'We haven't the faintest idea who burned the cross,' OSMOND said. 'If the Klan members in our group had done it, however, we wouldn't expect them to admit it.'" The words "If the Klan members in our group had done it" are underlined in ink and this notation made: "No active

"Klan members in group at the present time to the best of my knowledge."

Still further on the article mentions an alleged meeting on an unspecified date held in a private home on Penn Street, by about 20 persons. This figure (20) is attributed to OSMOND in the article, which then continues, giving no basis or authority for the "facts" related: "The meeting was described as 'somewhat chaotic; without any semblance of parliamentary procedure'." Here the words "somewhat chaotic" are underlined and the notation "Not chaotic, but a roundtable discussion" appears.

This article continues on page 12 of the paper and states in part there: "Asked if active opposition meant violence, OSMOND replied: 'Our group does not advocate the use of violence, and we don't intend to use it. However, I'm afraid that it might be inevitable.'" The words "However, I'm afraid that it might be inevitable" are underlined and followed by an asterisk, and a notation below printed " *Not said by me."

There was no letter enclosed with this issue of the paper and other than the items noted, and the return address, nothing identifies the sender as [REDACTED]. The handprinting is rough but legible.

On 7/1/60 [REDACTED] age [REDACTED] Reading, Pa.,
no phone, stopped at the Reading Resident Agency and advised as follows:

He often eats supper at the Varsity Luncheonette, Front and Spring, run by [REDACTED]. About a week ago he got to know a short fellow with a mustache named Roy who comes into the place. Roy either doesn't have "all his marbles" or is a "commie". His basic theme is to send all the negroes back to Africa. He stands around and eventually butts into conversations between strangers and tries to convince them that this country should get rid of the negroes. It has amazed him that someone hasn't punched Roy in the mouth for what he says and how he butts into private conversations.

Roy several evenings ago took him to the home of a man named [REDACTED] where [REDACTED] and his son talked just about the way Roy does. Thereafter he took him to his apartment where he showed him a closet full of books and literature of various sorts. He gave him some literature which he desires to turn over to the FBI because he doesn't believe in Communism, agitation, or violence and feels the FBI should know about Roy and his activities.

Roy is somewhat contradictory in what he says. On about 6/27/60 he told him that he belongs to the Communist Party. He showed him two cards where he had attended some sort of school and as a result he is a member of certain movements. Roy speaks of the movement to which he belongs and states it is patterned after the Communist movement and in the next breath will say he isn't a communist and doesn't believe in communism. He claims the NAACP is composed of communists.

Roy has asked him to join with them. He has never mentioned any specific organization and the thing sort of hangs in the air under the term of movement without being otherwise named. So far he has refused as he doesn't believe as Roy does.

Roy has mentioned a mass meeting in a small town in Maryland, Saturday three weeks, and wants him to go along with the others. This would be on 7/23/60. All he knows is that there is to be some meeting somewhere in Maryland in a small town where there will be speeches, etc. against the negro.

May have been affiliated with KKK, at least he claims this, but he may have been "bragging," since some statements he is known to have made were untrue. Subject has told a PCI-(Rac) of this Office that on 7/23/60, he is to attend a mass meeting in Jessups, Md., where there will be speeches, etc., against the Negro. The rally is supposed to be sponsored by a group from Philadelphia, according to what subject told PCI. FRANKHOUSER calls this group the "Citizens Council", but it is believed to actually be the National Association for the Advancement and Protection of the Majority of White People (NAAAPWP) led by a man named [redacted], Philadelphia, with whom subject has been in close contact.

Subject is described as follows:

AMERICAN NAZI PARTY
RACIAL MATTERS

Captain [redacted] advised on August 1, 1960, that an individual who identified himself as Frank Hauser of Reading, Pennsylvania, spoke at an open air meeting of the American Nazi Party in Judiciary Square on Sunday, July 31, 1960. Hauser advised that he was with the National Association for Free Speech which he admitted was a newly formed organization.

George Lincoln Rockwell, Commander and Organizer of captioned organization, has been speaking each Sunday since April, 1960, in Washington, D.C. On July 27, 1960, Municipal Court Judge George D. Neilson ordered Rockwell committed to the District of Columbia General Hospital for thirty days for mental observation to determine if he is competent to stand trial on charges of disorderly conduct which arose out of an open air talk on July 24, 1960. Hauser, according to Captain [redacted], spoke in Rockwell's place on July 31, 1960, and his talk related to the need for free speech in America.

An individual identified as [redacted] of Mount Ranier, Maryland, was arrested at the meeting on charges of disorderly conduct when he used profane language in heckling Hauser.

A source, who has furnished reliable information in the past, advised on August 1, 1960, that Hauser was in reality an individual named Roy E. Frankhauser, Jr.

Captain [redacted] further advised that he had been notified by a representative of the American Nazi Party that the group intended to picket the White House every day until Rockwell has been released from the District of Columbia General Hospital. The picketing would be in protest of his commitment order.

Meanwhile court appointment attorneys for Rockwell on August 1, 1960, filed a writ of habeas corpus for Rockwell's release before Judge George L. Hart, Jr., of the United States District Court for the District of Columbia. Judge Hart set a hearing on this matter for 9:00 a.m. on August 5, 1960.

After the filing of the writ, a representative of captioned organization informed Captain [] that all picketing of the White House would be suspended pending a decision by Judge Hart on the writ of habeas corpus.

The "Washington Post and Times Herald" for July 31, 1960, reported that two members of the American Nazi Party, John Patler and Daniel Burros, had been arrested and charged with defacing private property. They were charged with pasting swastika stickers on the B'nai B'rith Building at 17th Street and Rhode Island Avenue, N.W., Washington, D.C., last week. Judge Neilson to date set this case for jury trial on August 30, 1960.

Regarding captioned group, a second source, who has furnished reliable information in the past, advised on February 27, 1959, that George Lincoln Rockwell of Arlington, Virginia, held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959. Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. Rockwell told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

The source advised on May 4, 1960, that Rockwell was referring to his organization as the American Nazi Party and that stationery carried the letterhead as the American Nazi Party of the WUFENS.

Rockwell on March 26, 1959, furnished Special Agents of the FBI a copy of the program of the WUFENS stating that he expects to become president of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of communist and Zionist treason.

AMERICAN NAZI PARTY

The source advised in May, 1960, that the headquarters of the group is located at 928 North Randolph Street, Arlington, Virginia, and that the main activity of the organization since its inception has been the distribution of anti-Jewish material and open air talks in the Spring of 1960 on the Mall in Washington, D.C.

RACIAL MATTERS

On 8/1/60 [REDACTED] Pa., whose father [REDACTED] is a personal friend of writer telephonically requested that he be contacted in person. [REDACTED] was seen at the [REDACTED] Pa., where he is employed. He requested that his family not be advised of any of the following information.

[REDACTED] stated that around July 4th last, he met an individual named ROY FRANKHOUSER at the Expresso House in the 100 block of N. 6th St., Reading, Pa. The meeting was wholly by chance, [REDACTED] being with his cousin, [REDACTED], now of Los Angeles, California, but formerly a resident of Laureldale, Pa., when [REDACTED] saw subject and recognized him as having been a former classmate several years ago. He introduced [REDACTED] and the latter recalled that his father had worked with subject briefly some months ago at the A.W. Golden Foreign Car Division.

During the conversation that ensued, and others which followed during the next week or so, [REDACTED] came to the conclusion that FRANKHOUSER is crazy. Subject is a fanatic on the subject of negroes and Jews, but mostly negroes, and states without any hesitation that they should all be either executed or deported. [REDACTED] believes that this is the typical Communist attitude, and that therefore ROY ~~is~~ is a Communist. He asked ROY if he was a Communist and ROY said that he was not, that he was definitely anti-communist and was opposed to negroes and Jews because they supported the "Party Line". According to [REDACTED], subject spoke with apparant authority about Communist doctrines, but it was "so much Greek" to him. Subject stated that he is a member of the White Citizens Council (or Committee) and invited [REDACTED] and [REDACTED] to attend a meeting if they were in agreement with his feelings. [REDACTED] returned to Calif - ornia about a week later, however [REDACTED] still sees subject about twice a week at the Expresso House.

[REDACTED] added that he will "play along" with subject if it will be of help to the writer. He was advised that this decision would be solely up to him, and that no protection, assurances or coaching could be afforded by the FBI, and that the matter would have to remain strictly confidential. [REDACTED] stated that under ~~these~~ these conditions, he would at least "pump" subject, but might back out at the last minute before attending any meetings.

According to [redacted], subject frequents the Espresso House several times a week. This is surprising to him, because, in spite of the ordinary nature of such establishments, the place in Reading is very orderly and well run and really "off beat characters" are not welcome there.

In the last few talks FRANKHOUSER and [redacted] had, subject said that he is not a leader of the White Citizens Council, but ~~XXX~~ has submitted [redacted]'s name to them and he should soon get an invitation to a local meeting. In fact the last time they met, ROY seemed surprised that [redacted] had not already heard from them. He stated that he knows when the next meeting will be held, but not the place, and it is very soon. However he himself does not have the authority to divulge the time and place to an outsider.

FRANKHOUSER according to [redacted] seems to be a "screwball" and has occasionally made conflicting statements. However when these are called to his attention, he says he was merely testing the alertness of [redacted].

It is not requested that [redacted] be made a PCI Racial at this time. Consideration will be given to this if and when he continues to be confided in by subject.

RE: [REDACTED]

[REDACTED] also known as [REDACTED] was interviewed at Reading, Pa., on July 25, 1960.

He has enlisted and has been sworn into the United States Marine Corps, and is scheduled to report for active duty on September 2, 1960. He has been told that he will be sent to Philadelphia, Pa., and then to Parris Island for boot training.

[REDACTED], on July 25, 1960, indicated that he wanted to make a clean breast of his activities and understood he was not obligated to do so. He stated that he does not feel that he has broken any laws, but now realizes that in the past he was "very foolish" in some of his actions and associations.

He related that he is presently [REDACTED] years of age and was born [REDACTED] at Olney, Md. He actually graduated from the Reading High School in June 1959, but for the last year has been taking a post graduate course to get extra credits. Originally, he had hoped to be able to go to college, but was turned down by Lehigh Valley State College on the basis of poor grades in high school and his entrance examinations. [REDACTED] maintains that had he studied, he would have been able to pass and blamed ROY FRANKHOUSER, JR., at least in part for this failure.

According to [REDACTED], he has not seen ROY FRANKHOUSER, JR., since late April 1960, except for one or two chance meetings on the streets during which they said little more than "hello." [REDACTED] parents "laid down the law to him" and forbid him to have any contact with ROY after the local police questioned him and ROY about a "cross burning incident" and his dad learned fully and for the first time about the extent of his son's contacts with FRANKHOUSER.

[] said that most of the information he had related to the FBI in January 1960 when he voluntarily appeared with FRANKHOUSER had been true. He and FRANKHOUSER had planned the interview beforehand, but it had been anticipated that the two youths would both be present so that ROY could "direct" the interview. After FRANKHOUSER was excluded and [] interviewed alone, ROY spent almost a whole day trying to reconstruct the interview and figure out just what [] had said.

[] said that he and ROY first met when they were both in ninth grade at Northwest Junior High School in 1955-56. ROY was older than [], having "flunked" at least twice, and enlisted in the Army after completing that year. Thereafter, they had no contact until they met again in about December 1959.)

In the interim, [] had begun to associate with [] and [], two other school companions of about the same age, and these three had formed a group they called the American Nationalist Party, which was anti-Negro, anti-Catholic, and anti-Semitic. Although they claimed to have a large membership, this was wholly untrue, and they never had anyone except the three founders present at any of the "meetings" which they held on the steps of the Reading Public Library.)

[] admitted that he and [] and [] had discussed blowing up a Synagogue and also "taking over" some public building in Reading, but claimed that as far as he personally was concerned this was just "kid stuff" and "big talk" and he, at least, had no desire or intention of carrying it out. He also doubts that [] and [] were serious, but did say that [] was bitterly anti-Semitic.

[] has had no contact with [] or [] since early 1960 when he became convinced by FRANKHOUSER that anti-Semitism and anti-Catholicism were wrong. However, ROY always has expressed dislike for the Negroes, and is a member, so he said, of the White Citizens Councils.

[], through the introduction of FRANKHOUSER, has met GEORGE LINCOLN ROCKWELL, Arlington, Va.; [], Parkesburg, Pa.; [], Philadelphia, Pa.; and several other persons whom ROY knows, who are affiliated with various groups. ROY also has claimed to have been a former member of the Ku Klux Klan and a personal friend of E. L. EDWARDS, the leader of the Klan, and told [] that he

(FRANKHOUSER) was discharged from the Army after he was injured in a fight which occurred when Military Police broke up a Klan meeting ROY was attending. ROY also told [] that the "leader" of this Klan group was an FBI Agent.

[] stated that he has in recent months come to realize that ROY is undoubtedly "crazy" and now understands why many of the things FRANKHOUSER told him in the past were contradictory.

When [] re-established contact with FRANKHOUSER in late 1959, the latter was living with [] at 153 West Oley Street, Reading, Pa.; and insofar as [] knows, he is still there. Mrs. FRANKHOUSER is divorced from ROY's father and "runs around a lot" according to ROY. The latter's father will have nothing to do with him, and will not permit him to even enter the father's house. Mr. FRANKHOUSER does not approve of ROY's activities, but simply ignores them and apparently takes no action to put his son on the right track.

[] does not know if FRANKHOUSER, JR., could be considered potentially dangerous to the United States Government or not. ROY has never in his presence advocated violence against the Government, but has been very antagonistic towards the Colored Race and is outspoken in his dislike for the Negroes and in favor of segregation. ROY has allegedly been in numerous fights, both with Negroes and also with whites who objected to his outspoken attitude. ROY has a large collection of military rifles, mainly German, several swords and bayonets, helmets, and at least one small automatic pistol. He claims to have another pistol, but [] has never seen it. The rifles, swords, bayonets, and helmets are all kept at the [] home, [], Reading, Pa. Mr. [], is a good friend of ROY, and they are in frequent contact. [] is not affiliated with ROY in any of the latter's activities but does not object to them and permits ROY to receive mail at the [] home.

When [] and ROY were still on good terms, they used to be together often and twice visited ROCKWELL in the Washington, D. C., area. On one occasion they hitchhiked down to hear a speech on the Mall, and afterwards ROY spoke with ROCKWELL, but [] was not in hearing range and does not know if they were acquainted previously or not.

On another occasion, date not recalled, ROY and [] persuaded two Reading High students, [] and (first name unknown) [] (phonetic) to drive him and ROY to Washington, D. C. On that occasion, [] and [] went sightseeing in Washington, but [] and ROY took a cab to ROCKWELL's home in Arlington, Va. They spent about one hour with ROCKWELL and his "[]," a man named [] but never joined nor were they asked to join his group. [] only saw two or three persons at ROCKWELL's home. There was a large orderly turnout at his speech in Washington, but most of the persons there were apparently curious or antagonistic rather than in support of the man and his ideas.

[] is unable to recall anything of the speech, and admitted he paid no attention. However, he did say that ROCKWELL is undoubtedly a fanatic and that [] told him and ROY that ROCKWELL has a "fat cat financier" who puts up the money for the WUFENS.

According to [], he is not a member of any group whatsoever. He did send money to an address in Newport News, Va., as dues for the Northern League, but never received a reply or acknowledgment. (ROY does, or at least did, belong to the Socialist Workers Party ([] has seen a membership card in this) and, also, claims to belong to the Northern League and the White Citizens Councils, and the National Association for the Advancement and Protection of the White Majorities ([]'s group).)

ROY has said that he also attends Communist Party meetings in New York and mentioned a school teacher there whom he goes to meetings with. [] advised that FRANKHOUSER is deathly afraid of the Anti-Defamation League and insists that they were responsible for his being fired at Dick Brothers. [] admitted that because of his past affiliations he, too, fears them, and related that yesterday (July 24, 1960) a man claiming to be a poll taker contacted him at home, and [] fears he may have been from that league.

FRANKHOUSER has told [] that he receives \$100 weekly from the White Citizens Council to have printing done in Reading, Pa. Apparently they cannot get this work done wherever they are located and ROY has it arranged for them. FRANKHOUSER has often stated that JOHN KASPER is his ideal, and that it would be wonderful to go to jail for a cause like KASPER. He has also stated that when KASPER is released, he may go South and join him.

Insofar as [] is aware, FRANKHOUSER has no active supporters in Reading or elsewhere. [] has refused to even speak to [] and ROY when he sees them. [] has also ignored them. ROY never commented about [], but told [] that "[] is playing it cool; he is going to stay out of trouble till he finishes college; then he will reorganize."

ROY has often mentioned supporters in the area, but never by name, and [] now believes they are all fictitious. He does know that years ago ROY and a boy named [] used to travel together, and [] used to fly a Nazi flag from his jeep.

[] stated several times that he is not implicated in anything illegal, that he now realizes he was a fool to even associate with ROY, and that he has a sincere desire to go into the Marines. Depending on how he makes out there, he will either re-enlist and make it a career or after his enlistment try again to get into some college.

The interview was conducted by SA [REDACTED] in the presence of SA TAYLOR R. ROBERTS and took place in the FBI Office, Reading, Pa. Only the subject and the Special Agents were present.

On 7/22/60, [REDACTED] had met SA [REDACTED] by chance in the U. S. Post Office Building, Reading, Pa., and mentioned that he had enlisted in the Marines. He claimed to have told the Recruiter about his "past activities to a limited extent" but that before he left he wanted to make a full statement to the FBI. He agreed to appear alone at the Reading Office on Monday, 7/25/60.

[] on 7/25/60, admitted that he had only told the Marine Recruiter that he was "formerly a segregationist" but no longer felt that way. He is now highly concerned lest he be kept out of the Marines. The Bureau may desire to make available a copy of [] interview to the USMC. No such action is planned on a local level by Philadelphia.

A copy of enclosed letterhead memorandum is also being furnished Washington Field since they are office of origin in the case involving GEORGE LINCOLN ROCKWELL.

The interview with [] was highly unsatisfactory. Subject was in a very nervous state, and reassurances failed to dispel this condition. Either because of this nervousness or else because he just has a very poor memory, [] was unable to be specific on many points. In numerous instances he could not recall dates, even approximately, and with respect to activities of himself and FRANKHOUSER, he was most vague as to what transpired, who was present, etc.

It is the belief of both Agents present that [] was not trying to conceal anything, but is honestly confused as to his own associations with FRANKHOUSER. His recitation of events was rambling and not in any logical sequence; and often, he was unable to clarify things, even to his own satisfaction, and often said, "I just don't remember that."

He is also concerned about what action FRANKHOUSER might take on learning that he [] has enlisted and will be leaving Reading. He does not think it unlikely that ROY will either contact the Marines personally or write to them and try to get him "kicked out."

It is not believed that further interviews, at least in the near future, would be more productive.

On 7/16/60 [REDACTED] (CONCEAL SOURCE) advised that as of that date ROY was planning on moving to the third floor of his father's home. She also related that several ~~days~~^{weeks} ago he had gotten a job at the Reading Laundry, in the dry cleaning department. In recent weeks subject has not made ~~any~~ or received any phone calls in her presence, and she has no information regarding his current activities with respect to " racial matters ". He is associating with some youths of about his age (he says) at the newly opened Espresso house in the 100 block of North 6th St., Reading, Pa., and he spends an evening or two there each week.

Efforts to contact [REDACTED] subsequent to 7/16/60 were negative. On 8/10/60 it was ascertained that [REDACTED]
[REDACTED]
[REDACTED]

Mr. [REDACTED], who has furnished information about subject in the past, was contacted 8/12/60. [REDACTED] advised that he has been given a full report on subject's activities by subject's mother, who he has known at least 20 years, but that insofar as he and his wife are presently aware, ROY is not currently active in any racial activities. Since [REDACTED] and Mrs. FRANKHOUSER have been married ROY has been " on his own ". He is currently residing in the apartment at 153 W. Ordinarily he is told before quitting time one day when he should report the next morning, and may come in anytime between 8 and 11 AM, depending on how busy the laundry is. He quits sometime between 3 and 5:30 PM, after having worked an eight hour day. On two or three occasions FRANKHOUSER has also worked a Saturday when they were very busy. Mr. [] stated that subject is a steady and dependable employee and they have had no trouble with him. He always shows up on time when wanted.

[] did recall that several weeks ago he had asked subject to work an extra Saturday, and ROY agreed, but stated that he would like to get out at noon since he had a meeting. [] recalled that this was an Auxilliary Police meeting. FRANKHOUSER had previously worked for Dick Bros about 5 months, and was laid off.

PCI (Racial)

On 8/21/60 the captioned individual telephonically advised as follows:

Earlier this afternoon PCI had spent several hours with ROY E. FRANKHOUSER, Jr., in the latter's apartment at 153 W. Oley St., Reading, Pa. The following was all told to PCI by FRANKHOUSER, and is unconfirmed from any other sources known to the informant, except that he personally saw "a lot of literature" which FRANKHOUSER allegedly just brought to Reading, Pa.

ROY claimed that he had just returned to Reading from a "trip" on the morning of 8/21/60, but did not divulge any details thereof. FRANKHOUSER has been attempting to interest PCI in joining an unnamed organization for several weeks. There is supposed to be a meeting held in Maryland on 8/28/60 to which PCI has been invited, and he intends to go.

The "Organization" is anti-negro and pro-segregationist in nature, and FRANKHOUSER related 8/21/60 that there are many small groups, including units in Philadelphia, Levittown and Reading, ~~xxx~~ and Lancaster, Pa., and Camden, N.J., among others.

The meeting of 8/28/60 is supposed to be held in some hall in Hereford (PH), Md. (There is no such post office listed). Previously Jessups, Md., had been mentioned as the site, ~~and~~ and no reason was given for the change.

FRANKHOUSER has told PCI that the "group" here once had 400 members but they were not active for fear of adverse publicity. Now they are going to concentrate on the distribution of literature for a time, and ROY earlier this day had brought home a lot of literature. PCI described this literature as about 80-90 booklets, each of around 25 pages, printed on slick paper. ROY says the organization has to get legal ~~advice~~ advise, and they now have a lawyer in Philadelphia.

The meeting in Maryland 8/28/60 will begin at 1 PM, and last till 4 PM. It will be followed by a rally, and after that there will be a demonstration outside the Hall.

PCI is supposed to meet the group from Reading, Pa., at the [redacted] home, [redacted], Reading, Pa., for breakfast, about 9 to 9:30 AM. They will leave at 10 AM. ROY has not said anything about the number from Reading, Pa., who will go, or whose cars will be used. [redacted] has no car, nor does ROY FRANKHOUSER.

ROY has stated that they will drive by way of Lancaster, Pa., and will stop there briefly to "check with the people there". They expect to return home about 9 PM the same day.

PCI was present on the afternoon of 8/21/60 when ROY made several calls from his apartment, supposedly to other members. In each instance ROY would let the phone ring two times, hang up and immediately call again. He told PCI this is a code so the other members know it is a member calling.

ROY has told PCI that he (FRANKHOUSER) is working for ROY FRANKHOUSER, Sr., as an apprentice barber at the latter's shop. On 8/21 ROY also tried to reach his dad, without success and eventually called the local airlines, thereafter telling PCI that FRANKHOUSER, Sr., was leaving for Florida at 7:12 PM that date, on "business". PCI assumes ROY meant business for the organization.

PCI, when he finally joins the organization will be under the direction of one [redacted], who works at [redacted]. PCI has never met this person but [redacted] is supposed to get in touch with him very soon.

PCI will keep the FBI apprised of any additional plans. He intends to go to the meeting, and ROY has repeatedly assured him that it will be OK to take pictures there.

Subject continues to reside at 153 W. Oley St., Reading, Pa.,
which apartment [REDACTED] occupied untill [REDACTED].
He is still employed at the Reading Laundry, 1320 Moss St., Reading, Pa.

ROY has several times discussed giving up the apartment and
moving in with his father again, but always comes up with some excuse
for not doing so. Source has heard that ROY FRANKHOUSER, Sr., owes
a large sum of money on repairs made to his home and barbershop,
but the subject denies this.

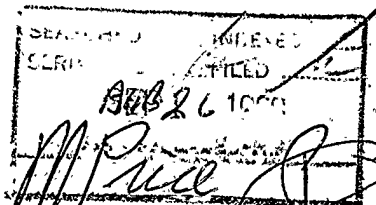

On Sunday, 8/21/60 ROY FRANKHOUSER, Sr., flew to Miami, Fla.,
to visit a friend, [REDACTED] (male). [REDACTED], who is formerly
from Reading, Pa., is supposed to be in the Automobile business,
and to be wealthy. He formerly managed a Milwaukee, Wis., restaurant
known as the "[REDACTED]", and is reputed to be well acquainted
with many prominent orchestra leaders and musicians. Occasionally
[REDACTED] returns to Reading, Pa., and often stays with FRANKHOUSER, Sr.,
at the latter's home on these trips. FRANKHOUSER, Sr., is supposed
to have gone to see [REDACTED] "on business" according to subject, who
also said that he will be in Florida about two weeks and also plans
to go back there again in December, 1960. [REDACTED] is also known as

About a week ago ROY, Jr., told the source that his father is
selling the house on South 5th St., and plans to move in over the
barbershop (on S. 4th) which he also owns. However this has been
rumored for years. ROY claims that when his father gets the money ~~for~~
from this sale he (subject) will be sent to Barber School.

At this same time (about a week ago) subject mentioned that
he was going to Washington, D.C. on 8/27-28/60 to attend a "big rally".
When asked if it concerned ROCKWELL (George Lincoln Rockwell) he
replied " No, not that screwball", and then explained that the

Source who has repeatedly requested that her identity be kept confidential related the following:

On Monday, 8/29/60 subject made brief mention of the meeting he had attended the previous day (8/28). He stated that it was both disappointing and successful; disappointing in that it was very poorly attended, but successful in that a "Tri State Organization had been formed".

According to what subject told source, he, FRANKHOUSER had gone to the meeting in Hefford(PH), Md., on the morning of 8/28/60. It was held in a Fire Department building in this small town, and the meeting was addressed by "SIMMONS" who source understands is a Washington D.C. attorney, and who ROY said is " a ~~terrific speaker~~ terrific speaker". Subject related that he spoke on "free speech".

According to what ROY said he and a man named "[REDACTED]" (PH) who is [REDACTED] at the [REDACTED], West Reading, Pa., went to the meeting together, but subject did not mention how they travelled. He did say that [REDACTED] had loaned him some money on the way back, but it was not clear if this was for train or bus fare, or for something else. If anyone else from the Reading area was present, ROY did not mention them.

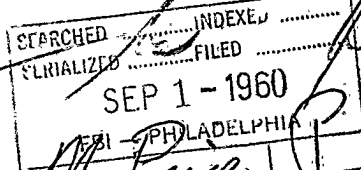

Subject told source that [REDACTED] was not at the meeting, but also said that [REDACTED] has now taken over all "the correspondence" and that now ROY will not have to attend any meetings.

From remarks that subject has made over a period of time, source gathers that [REDACTED], who recently was discharged from the Army, had been stationed in [REDACTED], and was married to [REDACTED], who now has [REDACTED]. [REDACTED] is supposed to be bringing her to Reading, Pa., as soon as possible.

It was explained to [REDACTED] in no uncertain terms that writer could not, either as an individual, or as a Special Agent of the FBI, intercede in any way for him .

[REDACTED] stated that " I guessed that was the way it would be but I wanted to try. My parents and I are all shook up over this". He stated that because of his impending call to active duty, he has not been looking for work or making any plans for further schooling, and if he is not accepted now, he doesnt know what he will do.

Today it was learned that a meeting of klansmen took place Sunday, March 16, 1969, at the farm of [REDACTED] Dover, R. D. #3. Those in attendance were [REDACTED]

[REDACTED] and [REDACTED] and with them [REDACTED] wife of [REDACTED] from [REDACTED] Pa. Also in attendance were Roy Frankhouser, [REDACTED] and a young boy approximately 17 yrs. old. Roy's [REDACTED] yr. son and a woman by the name of [REDACTED] were also there. [REDACTED] is approximately [REDACTED] yrs. old, heavy set in weight, has dirty blonde hair and is about 5' 9" tall. She drives a 1954 two tone green buick, which bears a Penna. Registration N-25-637.

The purpose of the meeting was to have Roy Frankhouser deliver material and literature that will be distributed in the York area in the near future.

Frankhouser stated that the klansmen and minutemen in Reading, Pa. are backing a preacher for City Council in the May Primary election by the name of Rev. [REDACTED].

There were tickets sold at this meeting at ten dollars a piece for which the donor will receive one year's subscription to the Fiery Cross and also a chance of winning Robert Shelton's 1967 Crysler Imperial. Six tickets were sold by [REDACTED]

Frankhouser again promised the York Group that within two weeks he and other robed klansmen would march into the Gazette and Daily Newspaper office and also walk around the square in York, Pa.

It was also learned that the York group will apply for a charter in the coming weeks since Frankhouser stated that it takes only fifteen members in a unit to obtain one. By having a charter it will give the York group a delegate at all National Conventions or Klonsaves. It is assumed that the permanent delegate for the York Group will be the Exalted Cyclops, Edward Heller.

On 9/26/60 [redacted] was con-
tacted following his telephonic request.

[redacted] advised as follows:

On Saturday afternoon, 9/24/60 FRANKHOUSER had asked him to drive down to 433 S. 5th St., Reading, Pa., where ROY had to pick up some "material". [redacted] was given to understand that this address is that of [redacted]. On arrival ROY went in, alone, going around the side. He brought out a number of signs, posters and similar items which he said were going to be used by the pickets that evening.

According to what ROY told [redacted], ROY, [redacted], [redacted] (FNU) [redacted] and a couple of friends of [redacted] (names unknown to [redacted]) were planning to have a picket line in front of the Reading Pa., Post Office, 5th and Washington Sts. The signs [redacted] saw were well made, sturdy and "professional looking". One was in the form of a stop sign, and had "STOP" in big letters. Above and below were "KILLER KRUSCHEV" Another had "KKKK" in big letters and read something like "Killer Kruschew Communist in the Kongo". Two or three of the signs bore the name "Fighting American Nationalists". ROY told [redacted] these signs came from Philadelphia, and had to be returned Saturday night for use at another location the next day.

[redacted], as previously noted, had been invited to a meeting in Philadelphia on the evening of 9/24/60 and was to [redacted]. He "begged off" and actually went down earlier to see a girl friend who lives at Southhampton" (near Willow Grove) so his parents could not know about his planned trip. Before he left [redacted] gave Roy the telephone number at which he could be reached. [redacted] was the only person who was going with [redacted] as it developed and ROY said they could squeeze him in one of the other cars.

[redacted], according to [redacted] is a white male about [redacted] years old, slender, pimply face, about 5'8". He claimed to live on [redacted], West Reading, Pa.

About 9 PM ROY called [redacted] at Southhampton and told him the meeting was to be at the home of [redacted] or [redacted], HOWARD 74376. [redacted] called this number and asked for directions to get there after arriving in Philadelphia. [redacted] put on a man who he said was a truck driver, and who told [redacted] to come down Broad to Passyunk, to Snyder, and he would run into [redacted]. [redacted] followed these instructions but never did

find [redacted], and about Midnight gave up in disgust and returned to his girl's house, and thence back to his home.

It is noted that [redacted] lives at [redacted], Reading, Pa., and that 433 S. 5th is the address of FRANKHOUSER's father, where subject is now residing.

[redacted] will make it a point to contact FRANKHOUSER and "chew him out" for the mix-up, and will advise of any additional facts he elicits from subject.

Chief of Police CHARLES S. WADE, Reading, Pa., advised 9/26/60 that there was not any ~~LEAD~~ demonstration or picketing in Reading on the evening of 9/24/60. WADE pointed out that ~~1/2~~ on Saturday evening the streets in the area of the Post Office are heavily travelled and both foot patrols and radio cars keep a constant check on the area. WADE promised that he would immediately notify the FBI of any pickets or other demonstrators whose activities had any racial overtones.

[REDACTED] (conceal identity) advised as follows on 11/10/60:

Subject has been out to the home of [REDACTED] about once or twice a week on the average. During these visits he has ordinarily refrained from any statements bearing on integration or racial agitation in the presence of [REDACTED], but has no such scruples with [REDACTED]. Several times in recent weeks he has been on the telephone talking to [REDACTED] about meetings, but always talks in vague terms which she cannot fully understand.

About a week or so ago ROY brought a briefcase to the house, and she had an opportunity to examine the contents briefly. It contained literature, pamphlets and similar items. Some bore the name of the National States Rights Party, and one letter with this return address on the envelope was addressed to [REDACTED], Director, [REDACTED], Reading, Pa. Also in the brief case on this occasion were several business size envelopes, addressed and stamped, apparently ready to mail. One of these which, by its bulk, contained several sheets of paper or leaflets, was addressed to [REDACTED], Philadelphia, Pa. Other similar envelopes were addressed to other persons in various cities, but source had no opportunity to list other names and addresses.

From conversations between ROY and [REDACTED] she gathers that [REDACTED] is having trouble with his parents, [REDACTED] stopped by to see ROY on Tuesday 11/8/60 and listened to election returns about 15 minutes, but then said he had to get home, and left. Prior to leaving ROY and [REDACTED] had a heated discussion and ROY accused [REDACTED] of having burned evidence he (ROY) had collected against the Communist Party. [REDACTED] inferred from what was said that [REDACTED] either accidentally burned some letters or else his parents found them and destroyed them, but that the destruction was not intentional on the part of [REDACTED].

Several days ago ROY dropped a slip of paper in the house, on which was written " [REDACTED] FR 47941". [REDACTED] does not know who this person is. ROY has told her that he has dropped both CAP and Berks Parachute Club activities. He sometimes works very late, to around 7 or 8 PM when the Laundry is busy. ROY still lives with his father on South 5th St.

ROY E. FRANKHOUSER, Jr.
RACIAL MATTERS

Subject is on the bomb suspect list of the Philadelphia Office, and New York has in the past been furnished with background information on him, and some of his known contacts in that area.

Enclosed herewith are three Photostats of a letter for whatever action you desire to take. This letter was found 11/2/60 by Reading, Pa., Patrolman [redacted], in the street at Second and Penn Streets. Because of its contents he turned it over to the FBI.

The envelope is postmarked 1 AM 10/31/60 at New York 1, N. Y., and is addressed to ROY FRANKHOUSER, Jr., [redacted], Reading, Pa. It bears no return address but on the reverse of the flap is printed "303 Dauphin Building, Harrisburg, Penna." which is scratched out in ink.

Letter is purportedly written by [redacted], New York, 14, N.Y., who is a professed Socialist, a member of the ILGWU and a former [redacted]. From the tenor of his letter he and Frankhouser are fairly well acquainted.

It may be noted that [redacted], Reading, Pa., is not the address of FRANKHOUSER, but the home of [redacted], a friend and associate of subject, and FRANKHOUSER uses that address frequently for the receipt of mail, apparently to keep his parents from knowing about his affiliation with segregationist groups and related organizations.

Recently an anonymous person mailed to the leading
segregationist agency, "The Citizens Council of America," a pro-segrega-
tionist nature, allegedly placed in a letter slot somewhere
in the 233 block of Penn Street, Camden, N.J. The pamphlets
have a stamp impression "The Citizens Council of
the Citizens Councils of America, Box 131, Camden, N.J."

A source at the Camden Post Office advised that
Box 131 was applied for October 3, 1960, in the name of
the "Camden Citizens Council, Camden Council." Mr.
[redacted], Jr., signed this application and gave his home
address as [redacted], Camden, N.J.

This address is not that of subject, who resides
at 131 South Fifth Street, but is the home of [redacted]
and his family, who are known to be friends of [redacted].
[redacted] and [redacted]
Camden, N.J., have both been known to use the [redacted] address
for receipt of mail, apparently to keep their families from
knowing of their segregationist activities.

It was also ascertained from the source mentioned
above that Post Office Box 1132, Camden, N.J., in the name
of the "National Citizens Rights Party" was applied for October
20, 1960, by [redacted]. This organization was des-
cribed by applicant as a "political party-political organi-

the business address of the organization [redacted].
According to the application, [redacted] and ROY FRANKHOUSER are
authorized to receive mail addressed to this Box.

RACIAL MATTERS - SSA, 1948

Re: memo, 10/27/60.

Attached is a FD-302 pertaining to the SSA phase of this case. During the interview on this matter, [REDACTED] was questioned about his friends and associates, ostensibly with respect to their possible selective service status. He made no mention of any persons known to writer to be associated with FRANKHOUSER, among his friends.

Specifically asked about ROY FRANKHOUSER, et al, [REDACTED] admitted that he had been associated with [REDACTED] and [REDACTED] in something he now realizes was (profane) foolish. He admitted that they had discussed anti-Negro, anti-Catholic, and anti-Jewish matters while they were seniors in high school together, but said that they never actually did anything. He admitted that [REDACTED] had discussed acts which if committed would have been violent, but said they were all [REDACTED]'s ideas and when he realized how radical [REDACTED] was he dropped out of the organization. The "group" he said consisted only of the three of them. Actually they had planned to enlist others, and had a list of 200-300 "prospects" among the students at the school but never enrolled anyone else or even discussed enrollment with others.

[REDACTED] said that [REDACTED] was the admitted leader, and [REDACTED], like himself, just went along for something to do. He always did suspect that he was included only because he had his own car, whereas neither [REDACTED] nor [REDACTED] had the use of a car.

[REDACTED] said that [REDACTED] introduced him and [REDACTED] to ROY FRANKHOUSER sometime early in 1960. Actually [REDACTED] only saw FRANKHOUSER about five or six times in all over a two or three week period, and during that time concluded that FRANKHOUSER was completely crazy and could possibly be dangerous. He said that FRANKHOUSER was "against anything and everything"

and changed his views every day. On one occasion he, [redacted], and ROY went to a house on [redacted], near the apartment where ROY then lived, where they met a man named [redacted] briefly. [redacted] said [redacted] was an older man, apparently a good friend of ROY, but he does not know where [redacted] fit into the picture. [redacted], he related, has a large collection of German Army relics, including helmets, bayonets, about 15 rifles, and at least one Luger pistol. He also has a very large collection of toy soldiers, which [redacted] estimated at about "five tons of junk."

[redacted] said he has not seen FRANKHOUSER since about May 1960 and has not seen [redacted] or [redacted] since graduation in June. He does not know what [redacted] or FRANKHOUSER are doing at present but has heard that [redacted] is attending Lebanon Valley College. [redacted], he said, is an admitted atheist.

[redacted] admitted that he is in favor of segregation and is inclined to favor the German race, but denied that he had any present connections with any segregationist group or plans for such affiliation. He also made it clear that he was pro-German rather than pro-Nazi and said he felt that HITLER was a madman who did the German race irreparable harm.

[redacted] seemed quite sincere in all his statements and admitted that he had been a fool in associating with [redacted], [redacted], and FRANKHOUSER. His mother and step-father do not know anything about his association with these persons beyond what was written to his parents by [redacted], former high school [redacted].

[redacted] never saw this letter; but after it was received, his mother gave him a "good talking to" and he promised to have nothing more to do with the "group" at the school referred to in [redacted]'s letter. He has kept this promise.

[redacted] stated that in his opinion FRANKHOUSER is too smart to do anything illegal but that he might try to get someone else to act for him. [redacted], he advised, is too scared to do anything that might get him in serious trouble.

Background and descriptive data on [redacted] are contained in the attached 302, as required for verification semi-annually. It is suggested that [redacted] be removed from the Philadelphia Post-suspect list.

[REDACTED] Pa., (Conceal Identity) advised as follows on this date:

ROY has been to visit her and have dinner on several occasions in recent weeks. He was at the house last night to watch "White Paper" a news account of segregation problems in the South, and had telephoned [REDACTED], to tell him to be sure and watch it.

During the conversation with [REDACTED] he was heard to accuse [REDACTED] of "losing enthusiasm for the cause". ROY also made the statement that " the Jews are the cause of this whole problem". However FRANKHOUSER has not discussed with [REDACTED] any of his recent activities with a few exceptions.

When he was out for Dinner Thanksgiving Day (11/24/60) he had mentioned that the following week end he planned to go to a meeting in Tennessee. [REDACTED] expressed concern that he would hitch hike during the possibly inclement weather, but ROY reassured her and said that if he went it would be in a chauffeur driven Cadillac, with a friend of his.

Source has no idea who this person might be, except that once some time ago ROY mentioned a friend of his father's (FRANKHOUSER, Sr.) who had a Cadillac, and who was an inventor. He never named this man however.

[REDACTED] attempted to get a definite statement from ROY after Thanksgiving, as to whether or not he had made the trip to Tennessee, but he never actually answered her inquiries in this respect. However he has on numerous occasions since that time mentioned the National States Rights Party, and in a recent telephone conversation with [REDACTED] he was heard to say something about an "office" or "an officer" of the NSRP.

Source has not learned anything about any possible association or correspondence between ROY and GEORGE LINCOLN ROCKWELL in recent months, and source believes FRANKHOUSER has no contacts with the American Nazi Party in recent months.

Source did hear ROY tell [REDACTED] (telephonically) that " There is a letter here for the Director of the National States Rights Party here. I opened it by mistake. I'll send it to you".

FRANKHOUSER, on the afternoon of 12/18/60, led a group of four other youths, not fully identified yet, to 702 Byram Street, Pennside, Reading, Pa., where Pennsylvania Governor DAVID L. LAWRENCE was scheduled to meet with a small group to launch the Tenth Annual "Bonds For Israel" Campaign.)

As the Governor arrived, they displayed placards and marched back and forth until local police compelled them to leave. No major disturbance resulted, although State Police who escorted Governor LAWRENCE were quite concerned. Residents of the area are undoubtedly aware of pickets, but not their identity. Local reporters on the scene to cover the Governor's appearance took photos but did not print same and made only very minor mention of pickets in a lengthy article about the fund drive.

FRANKHOUSER himself also called the papers to insure that his action would get attention, but as noted this effort failed.

A source, who has furnished reliable information regarding FRANKHOUSER on other occasions, was present and identified the other four pickets as FRANKHOUSER, [redacted] (owner of a 1954 Hudson, New Jersey License ALT 523, determined to be listed to [redacted]), [redacted], Sewell, N. J.; [redacted] or [redacted] (phonetic); and another unidentified youth. The latter two are supposed to be from Wilkes-Barre, Pa., but [redacted] drove a 1949 Studebaker with Virginia License believed to be A 191 392.

Literature in possession of the pickets, but not distributed due to intervention of state and local authorities, included "The Citizens Council," November 1960 issue, and unnumbered, undated issue of "The Thunderbolt," both bearing a rubber stamp impression "N.S.R.P., Box 203, Mantua, N. J."

At the time FRANKHOUSER was questioned by the Governor's aides on 12/18/60 he declined to identify himself and named [redacted] Philadelphia, Pa., as

[] of the group, which represented the NSRP. He also stated that Attorney J. B. STONER, Atlanta, Ga., was counsel for the organization.

[] stated that MADOLE had "kicked me out" because [] had attempted to convert MADOLE's followers to the cause of GEORGE LINCOLN ROCKWELL's Fighting American Nationalists (FAN) movement.

[] further stated that he had been in Washington, D.C. and Arlington, Virginia, on Sunday, 10/16/60, for a FAN organization meeting and then had attended the open air meeting which was held by ROCKWELL in Washington, D.C. on 10/16/60.

[] stated that the plans of FAN discussed at the 10/16/60, meeting were the issuance of an anti-KENNEDY pamphlet and establishment of picket lines on JOHN F. KENNEDY for President headquarters, date, time and place of picketing not indicated.

On 11/7/60, [] advised that [] mentioned above, had organized an anti-KENNEDY picket line on the evening of 10/27/60, in front of the Hotel Biltmore, NYC, where Democratic Headquarters were located. The source stated that the picket line consisted of [], [], [], Brooklyn, New York, [] NYC, and another unidentified male. Anti-KENNEDY signs carried by the pickets bore the identification that they were FAN signs.

On 11/14/60, [] advised that the unidentified male who participated in the above picketing is [], Bronx, New York, who in the past has been present at meetings of the NRP conducted at the home of JAMES H. MADOLE and also in the past has been present at meetings held at the Christian Educational Association conducted by CONDE MC GINLEY at 530 Chestnut Street, Union, New Jersey.

NYO indices reflect that on 5/28/59, Detective [], Bureau of Special Services, New York City Police Department (conceal) furnished SA []

NY 157-13

with a number of 3 X 5 cards bearing the names and addresses of individuals, some of whom have contributed money to the NRP. Included in this list was one [redacted], [redacted], Bronx 51, New York.

[redacted] further advised on 11/14/60, that he had received information that ROCKWELL's organization in Arlington, Virginia, had been joined by three men from New York, one of whom is named [redacted], and the other two, who are of Italian extraction but whose names are unknown.

The source further advised that one [redacted] who is employed in the post office at Arlington, Virginia, is a ROCKWELL sympathizer and a member of FAN.

By letter to New York dated 10/5/60, Richmond advised that the following individuals were four new members of captioned party: [redacted] and [redacted].

NYO indices reflected no information identifiable with these individuals. [redacted] on 10/31/60, advised he could furnish no information concerning them.

On 11/28/60, [redacted] advised that CONDE MC GINLEY of the Christian Educational Association, 530 Chestnut Street, Union, New Jersey, who publishes the periodical, "Common Sense," had stated that ROCKWELL had written a book in which ROCKWELL makes the statement that RUSSELL MAGUIRE, publisher of "American Mercury," had promised to pay \$10,000 to ROCKWELL, BILL EVANS of Annapolis and one of ~~MAGUIRE~~'s sons if they would kill some Jews.

The source stated that RUSSELL MAGUIRE has been unsuccessfully attempting to induce ROCKWELL to omit the above statement from his book.

NY 157-13

b6
b7C
b7D

The source was unable to furnish any additional information concerning the alleged offer made by MAGUIRE except that CONDE MC GINLEY was worried because such a statement as made by ROCKWELL "could lead to an investigation by the authorities."

Concerning RUSSELL MAGUIRE, it is noted that on 3/9/59, JAMES F. O'NEIL, publisher of "The American Legion Magazine," advised that he had learned from various sources that RUSSELL MAGUIRE, Chairman of the Board of "American Mercury" magazine is a confirmed anti-Semite.

WILLIAM LAVARRE, former editor of "American Mercury" who furnished information to a Bureau representative at Washington, D.C. on 1/20/58, and with whom contact has not been sufficient to determine his reliability, advised that RUSSELL MAGUIRE was very anti-Semitic and described MAGUIRE as a refugee from the "crack-pot fringe."

On 11/28/60, [] furnished two articles which had been mailed out by ROCKWELL. These articles consist of a pamphlet entitled, "And They Call Me A Jew Spy!", and a letter headed, "Urgent", and addressed to "Fellow American White Man!". Photostats of the above two articles are herewith enclosed for the information of the Bureau and Washington Field.

On 12/5/60, [] advised that [] had visited JAMES H. MADOLE in New York City, date unknown, and made the statement that he had left ROCKWELL and the American Nazi Party (ANP) because "Two more half-Jews have joined the Party and are now with Rockwell." [] stated that he was returning to his home in Pennsylvania and would be [] for the National States Rights Party (NSRP) in [], Pennsylvania. [] further stated that it was he who originally got ROY FRANKENHOUSER of Reading, Pennsylvania to speak for ROCKWELL

NY 157-13

and that FRANKENHOUSER is now the NSRP Pennsylvania State Chairman. [] also stated that he had furnished a list of 2,000 names to the NSRP and offered MADOLE part or all of ROCKWELL's mailing list in return for MADOLE's mailing list in Pennsylvania. The source stated he did not know if MADOLE accepted []'s offer.

The source further advised that [] who is now residing at [], Pennsylvania, had been [] and [] of the "Bulletin" published by the ANP and had been succeeded as [] of the ANP by [].

On 12/13/60, Detective [], Bureau of Special Services, New York City Police Department, advised SA [] that on Sunday, 12/4/60, a meeting of PAN called by [] was held in the Lotus Restaurant, 228 East 86th Street, New York City.

Detective [] advised that in addition to [] there were about 12 persons present at this meeting and included [] Brooklyn, New York, [] New York City. [] who operates a TV repair shop at [], New York City, KURT NIPPE, 3024 Fulton Street, Brooklyn, New York, [] and [] (ph), a commercial photographer.

NYO indices reflect no pertinent information concerning [] or [].

It is noted that KURT NIPPE (Bufile 65-33939, NY File 105-9520) has in the past addressed letters to the Director and has furnished information both orally and by letter to the NYO concerning individuals who are active in the affairs of the NRP. However, a great deal of the information furnished by NIPPE was based on hearsay and conclusions drawn by him. It is further noted that NIPPE

NY 157-13

in the past has been irrational at times and unable to distinguish between facts and fiction.

NYO indices reflect that [redacted] (NY file 105-32653) was interviewed by Special Agents of the FBI on 12/2/58, in order to develop information concerning bombings of a racial or religious nature. At that time [redacted] advised that he had been invited to participate in a demonstration in Washington, D.C. organized by GEORGE LINCOLN ROCKWELL in July, 1958, but had declined.

Detective [redacted] advised that he did not learn what was discussed at the above meeting which lasted from 3:30 p.m. to 6:40 p.m. on 12/4/60, but advised that two congratulatory telegrams were received by [redacted] at the Lotus Restaurant on 12/4/60, one from GEORGE LINCOLN ROCKWELL and the other from one [redacted], [redacted] of FAN. It is noted that as previously set forth in this communication, [redacted] furnished information that one [redacted] who is employed in the post Office at Arlington, Virginia, is a ROCKWELL sympathizer and a member of FAN.

On 12/14/60, [redacted] advised that in addition to those previously mentioned who attended the FAN meeting on 12/4/60, ERNEST ELMHURST and one [redacted] (ph) who comes from Long Island, New York, were also present.

NYO indices contain no information identifiable with [redacted].

Concerning ERNEST ELMHURST it is noted that he was born in Germany in 1891 and entered the United States at New York City on 11/19/22, under the name of ERNEST FREDERICK CARL KLOPPLEICH. He was naturalized in United States District Court, Boston, Mass., on 4/22/29, under

NY 157-13

certificate number 2940861, at which time he changed his name to ERNEST FREDERIK ELMHURST. ELMHURST is the author of "World Hoax" in which he attempts to show the tie-up between Communism and world Jewry. In 1952 ELMHURST delivered a lecture in Hanover, Germany, before various youth organizations in which he advanced pro-Nazi arguments and attacked Great Britain.

According to [redacted], most of the talking at the 12/4/60, FAN meeting was done by [redacted] and [redacted] and [redacted] previously mentioned. [redacted] stated that the main purpose of the meeting was to enlist volunteers for a picket line on the motion picture "Exodus" which has its premiere in New York City on 12/15/60. According to [redacted], "FAN signs" will be used in this picket line.

[redacted] also stated at this meeting that he had been informed that the name, "Fighting American Nationalists" to some people sounds entirely too belligerent and indicated that if a change is to be made he can easily retain the initials FAN and substitute for it, "For America Now" or "For Action Now."

The source further advised that at the above meeting [redacted] mentioned that he will be in touch with the FAN group in South New Jersey and furnished [redacted] with the phone number of this FAN group which sounded like CLifford 6-1837.

Baltimore is requested to search indices and attempt to further identify BILL EVANS of Annapolis.

Newark is requested to ascertain the identity of the subscriber to telephone number CLifford 6-1837 and furnish all available background information to the Bureau, WFO, Richmond and NYO for their information.

Philadelphia is requested to verify the residence of [redacted], Pennsylvania and attempt to develop any information concerning [redacted]'s activities in behalf of the NSRP in that area. Any information developed is to be furnished to Birmingham, which is office of origin in NSRP.

Richmond is requested to conduct indices search on [redacted] who is a member of FAN and reportedly employed at the post Office in Arlington, Virginia.

NYO will continue to report any information made available concerning captioned organization.

All offices receiving copies of this letter and who have been requested to conduct investigation concerning captioned organization are requested to furnish a copy of the results of investigation to Richmond inasmuch as the headquarters of the ANP is located in the Richmond Division.

For information of Jacksonville relet described a demonstration held by ROY FRANKHOUSER, Jr., and four other youths on December 18, 1960, when Governor LAWRENCE visited Pennside, Reading, Pa. When questioned, FRANKHOUSER declined to give his name but stated that [redacted], Philadelphia, Pa., was [redacted] of the group which represented the National States Rights Party. Prior to the demonstration, FRANKHOUSER himself had called the local papers to insure that his demonstration would receive publicity. The papers did not run any photos, and the picketing incident was given about two lines "buried" in the article. The NSRP was not mentioned at all.

SUBJECT: NATIONAL STATES RIGHTS PARTY
Racial Matters

At 5:25 PM, 1/21/61 [redacted] telephonically advised as follows:

At about 1:30 PM that date he had received a phone call from a man who identified himself as [redacted]. [redacted] does not know [redacted], but has heard him mentioned numerous times by ROY FRANKHOUSER, as being active in the NSRP and White Citizens Council.

[redacted] told [redacted] that there was to be a meeting in Philadelphia, Pa., 'tomorrow' (1/22/61), and invited [redacted] to go along. [redacted] said they planned to meet at [redacted] home ([redacted] Reading, Pa.) at around 11:30 AM. The meeting was scheduled to start at 1:30 PM, and would last " a few hours". [redacted] advised that he expected about six (6) persons from Reading to go, and asked [redacted] if [redacted] was not told anything about the exact nature of the meeting or its location, but was told to [redacted]

[redacted] advised SA [redacted] that he intends to go, and will be at the [redacted] house as close to 11:30 AM 1/22/61 as he can make it. He will be driving a [redacted] 1955 [redacted], which is [redacted] and [redacted] for ready identification.

This information was telephonically furnished to the Philadelphia Office on 1/21/61.

On 1/22/61 SA [redacted] conducted a spot check of the vicinity of the [redacted] home, [redacted], Reading, Pa., between 10:40 AM and 1 PM. Because of the extreme cold and accumulated snow both vehicular and pedestrian traffic was at a minimum and parking in a spot overlooking the [redacted] home was impossible due to snow piled in the streets.

The only activities noted were the following. Noone except ROY FRANKHOUSER was observed entering the [redacted] home, and noone was seen to leave. [redacted] and his [redacted] were not observed at any time. It should be noted that due to the aforementioned snow, and lack of parking facilities, anyone arriving at the house by car might well have been compelled to park blocks away.

At 11:25 AM a vehicle was first noted parked in the "Bus Stop Zone" in the 600 block of [redacted], about 75 yards from the [redacted] home. This car had not been there two or three minutes previously. One male occupant was seated in the car and remained behind the wheel.

wed (5)

105-4158-154

This car was a medium green color Plymouth, 4 door sedan believed to be a 1960 model. However snow covered the rear license plate, making it impossible to read the number, and no opportunity presented itself to clean the plate off.

The driver, and only occupant of this car was a white male, about 25 years of age, 6' tall, 175 lbs, dark brown hair, crew cut, dressed in a grey suit and topcoat, no hat. This person remained in the car except as noted subsequently.

At 11:59 AM ROY FRANKHOUSER got off a bus at Front and Greenwich Sts the stop nearest the [] house. This bus had been compelled by the green Plymouth to park in the intersection to stop and discharge passengers. FRANKHOUSER was dressed in a light tan trenchcoat, and carried what appeared to be a camera. In walking to the [] home he passed the Plymouth, and he and the occupant looked at each other, but apparently did not speak. However as ROY entered the [] home this unknown male got out of the car and spent at least 5 minutes in the immediate vicinity of the vehicle, ostensibly examining the chains, tires, etc., or just standing on the sidewalk by the car. Then he reentered the vehicle.

As of 1 PM there was no change in the above situation, and no additional activity noted, and spot checking was terminated.

Between 11:20 and 11:40 AM a Blue 1954 Ford Station Wagon very "beat up" Pennsylvania License 41Q-997 with a single male occupant, was observed several times in the vicinity. Later this vehicle was observed at 12:35 PM parked about two blocks away. It is not known if this vehicle has any connection with this matter. No adequate description of driver could be obtained but he was a young (25-35) white male. No out of state cars were seen in the area. License numbers were obtained from several cars parked in the area, which appeared to have been recently moved, however they may have belonged to persons at the nearby church. The following were from out of the neighborhood:

331-047 Blue, 1955 (?) Oldsmobile- []
Issued to- []
41Q-997 (the cruising station wagon) issued to []
[], Reading, Pa.
N71-979 Green over Cream Dodge, about a 1953 model-not listed.

On 1/23/61 [] telephonically advised that he had not gone to the [] home or Philadelphia, inasmuch as [] had [] on 1/22/61.

ROCKWELL told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

The source advised on May 4, 1960, that ROCKWELL was referring to his organization as the American Nazi Party and that stationery carried the letterhead as the American Nazi Party of the WUFENS.

ROCKWELL on March 26, 1959, furnished Special Agents of the FBI a copy of the program of the WUFENS stating that he expects to become president of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

The source advised in May 1960, that the headquarters of the group is located at 928 North Randolph Street, Arlington, Va., and that the main activity of the organization since its inception has been the distribution of anti-Jewish material and open air talks in the spring of 1960 on the Mall in Washington, D. C.

THE NATIONAL STATES RIGHTS PARTY (NSRP)

On November 3, 1958, a confidential source advised that the NSRP was formed in 1958, and it is composed of past members of the Ku Klux Klan and notorious anti-Semites. At its convention in Louisville, Ky., on August 30, 1958, this party indicated it was a political party dedicated to segregation.

The Ku Klux Klan has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

Additional letterhead memoranda will be forwarded when additional details are obtained from the Philadelphia PD.

For the information of Kansas City and San Diego, who have not previously received communications in this matter, it is noted that GEORGE LINCOLN ROCKWELL, Commander of the American Nazi Party, planned to travel to Philadelphia on 2/1/61 with a band of his followers and picket the motion picture "Exodus." ROCKWELL never showed up; however, a sizable crowd composed of students, representatives of Jewish organizations, and possibly some CP and SWP members did show up. Through strict measures the Philadelphia police maintained control of the crowd and no riot ensued. Three Nazis did appear but were arrested before they could start their demonstration. Copies of the enclosed letterhead memo have been designated for Kansas City and San Diego because students of the Pennsylvania Military College who were arrested by the Philadelphia PD furnished residence addresses located within those divisions.

[REDACTED] whose identity must be concealed at her request, advised 2/2/61 as follows:

ROY has been coming out to the house for dinner as usual about 2 or three nights a week, but not always the same nights. In recent weeks [REDACTED] has stopped calling there, at least he no longer leaves messages with her for ROY.

Last week ROY told her that [REDACTED] was going to move to 533 S. 5th St., and rent from ROY's father the rest of the apartment on the second floor, where ROY now lives. (ROY according to source, only uses one room, and the balance of the apartment is unheated, and the bathroom inoperative). According to what ROY told her, [REDACTED]'s parents went to the FBI, and they (Mr. and Mrs. [REDACTED]) are now in the process of moving to [REDACTED].

ROY told source he had spoken to [REDACTED] and rebuked him about making so much trouble for his parents. ROY claimed that he told [REDACTED] to either give up " the movement " or do something to prevent his parents from learning about his activities. [REDACTED] then decided to leave home and get out on his own. [REDACTED] has already moved to the apartment with ROY.

Source stated that this apartment is a large one, and was once very nice, but has apparently gotten run down. It consists of five rooms each fairly large, two bedrooms, a living room, a kitchen and a bath. According to ROY he has only been using one room for sleeping, and does not cook any. Apparently the bathroom fixtures do not work, and except for his bedroom, it is unheated.

ROY FRANKHOUSER, Sr., according to ROY is moving to the property he owns on South 4th St., over the Barbershop. Source stated that several days ago ROY mentioned ROCKWELL's intention of creating a disturbance at the showing of " EXODUS " in Philadelphia on 2/1/61. ROY said he was going to be there, but take no part. Last night source saw on TV that the Philadelphia Police had arrested about 100 persons outside the movie, but ROY had called source around noon this date, as usual, so she knows he had not been arrested.

ROY had once said recently that ROCKWELL is going about things the wrong way. He also said " ROCKWELL has me on his list " Source has no idea what he meant by this remark. Insofar as source is aware, ROY has been working regularly and was in Reading on 1/10/61.

Source was unable to specifically pinpoint 1/10/61. She stated that ROY "usually" calls her around noon each day he works, but not invariably so, and he does ~~miss~~ miss days at irregular intervals. For this reason she is unable to say with certainty that ROY was in Reading on 1/10 and 1/11/61. She did say that as far as she knows, he has not been any further from Reading than to Philadelphia in recent weeks.

A couple of Our Town's termites crawled out of the woodwork long enough last week to join a pseudo-Nazi outfit attempting to picket the film "Exodus" in Philly. They were apprehended by Philly gendarmes and told to "go home and behave yourselves." Well known to local authorities, including the F.B.I., the initials of the young punks are R.F. and R.E.L. We'd print their names but these germs thrive on publicity.

On one side printed in red ink was "Remember Little Rock" along with a soldier holding a bayonet to two white students. On the other side in red ink was "Brotherhood By Bayonet" along with two soldiers pushing a white and a colored student together.

After the man showed the paper to the proprietor [REDACTED] engaged him in conversation and the man gave [REDACTED] the piece of paper. This man is not known to [REDACTED] by name. [REDACTED] furnished the piece of paper. It is designated for the 1A of the file.

The ONI Agents related that FRANKHOUSER did all the talking while he was present, but soon left to go to work. They noted they had been seated in two straight chairs near a desk, while [] sat behind this desk and they are of the opinion from subjects' actions that a recording was being made of the interview. Agent [] claimed he had constantly tapped his foot to circumvent this possibility and thereafter [] moved to another location. [] also mentioned as they left that he would have to make a complete report on the interview to "his superiors."

Agents related [] had refused to accept a four year tour of duty in the regular Marines and stated he would go to jail rather than serve four years, but he is willing to serve six months active duty. They got the impression [] is the only person in the NSRP who does not have military service of some sort, and actually wants this training from various things he said.

[], according to the ONI Agents, was not reluctant to discuss his feelings, but he was vague and ambiguous in many of his answers. At one point [] mentioned several persons were staying in the apartment, all NSRP members, and he also claimed they have a "large group of followers" in Reading, including "friends" in City Hall and also in "other high places." The one person [] refused to discuss in any way was [] and once when asked something about [] said, "I am not permitted to discuss him." He showed no such reluctance in mentioning other associates in the NSRP.

No Letterhead Memo is being submitted and no dissemination made since ONI will disseminate results of their interview in full. Interested offices should note that on the occasion of an interview with Investigators FRANKHOUSER and [] wore sidearms, and also that they possibly made, or were attempting to make, a recording of the interview.

Birmingham is requested to advise whether or not any of the NSRP literature being distributed should be retained. A FCI (Rac) of this office presently under development is beginning to receive material, including the usual "throw aways," applications, etc., and the by-laws of the NSRP.

On 3/13/61, PCI contacted SA [REDACTED]. PCI advised that he had on Sunday, 3/12/61, attended what was originally supposed to be a meeting and party at the apartment of ROY E. FRANKHOUSER, JR., 433 South 5th Street, Reading, Pa.

The "meeting" was cancelled because, according to FRANKHOUSER, some of the persons invited had been unable to attend and the affair was primarily a "beer drinking affair." PCI noted, however, that according to the number of chairs available, it appeared that not more than six or so persons had been expected. Actually five were present. They were:

PCI related that [REDACTED] is from [REDACTED] and formerly worked [REDACTED]. He is supposed to be living in [REDACTED] but planning to return to [REDACTED] in the immediate future. PCI said [REDACTED] looked as if he might be [REDACTED] from his general actions and speech.

PCI also obtained copies of the several pieces of propaganda which were available and on display at the party. Most of these are not "local" but are the regular propaganda of the White Citizens Councils or related groups.

The following are being destroyed as duplicates of material already available: Booklets entitled "The Ugly Truth about the NAACP" and "A Christian View on Segregation." Blotters bearing what are purportedly quotations from THOMAS JEFFERSON and ABRAHAM LINCOLN showing their "segregationist views." All four of these items bore in addition to the printed material a rubber stamp impression "White Citizens Council Box 431 Reading, Pennsylvania."

The following are being retained in the 1A section of PCI's file:

(1) A reprint from the editorial page of the Richmond News Leader 2/27/59 (distributed by the Association of Citizens Councils). On the reverse of this sheet are the following rubber stamp impressions "Remember Little Rock," "Brotherhood by Bayonet," and one each of the local White Citizens Council 'address stamp,' "NOITARGETNI spelled backwards is Integration -- Either way it doesn't make Sense" and

(2) A sample copy of the National Socialist Bulletin (#5 - January) publication of Rockwell's American Nazi Party.

(3) Newspaper type leaflet captioned "Highlander Folk School" showing pictures allegedly taken at the school in 1957 put out by the Independence Foundation, Inc., Portland, Ore.

PH [REDACTED]

(4) A mimeographed sheet, apparently prepared in Reading, captioned "Bigots and Brotherhood." This sheet gives several typical "anti-Negro arguments" and concludes "Some of the local race mixers are:

[redacted] advised the FBI there is an NSRP meeting place in Delaware. [redacted] stated meetings were held at the home of Mr. and Mrs. [redacted], New Castle, Del. [redacted] stated the next meeting there is scheduled for 5/7/61.

[redacted] stated he was attempting to set up a meeting locally at a [redacted] run by an [redacted] named [redacted]. According to [redacted] [redacted] was sympathetic and promised to give \$ [redacted] to the party. FBI doubted this and felt it was another indication of how NSRP members can fool themselves about support from outsiders.

[redacted] had in his possession a request for funds from the Citizens National Law Enforcement Committee, 1427 South Clark Street, Louisville, Ky. The request was for one dollar. According to [redacted], the Citizens National Law Enforcement Committee is a extremist organization and among other things wants to hang all Federal Judges. [redacted] told FBI he wrote the committee, as he is interested in getting all right-wing groups into the NSRP.

[redacted] told FBI that he, [redacted] and FRANKHOUSER had met with STONER of the NSRP to formulate plans for publicity for a rally somewhere in Delaware or Maryland in the future. Part of the plans was to have a showing of "Birth of a Nation." However, FBI was of the opinion that these plans were far from complete.

[redacted] exhibited a letter to FBI which indicated that [redacted] and NED DUPES plan to come to Philadelphia and Reading, Pa., on 7/4/61 for the purpose of making speeches.

[redacted] exhibited a letter from [redacted] indicating that [redacted] planned some kind of picnic in some other state sometime in the future. Here again FBI stated the plan was very vague. A confidential source advised SA [] on May 8, 1961, that several days ago ROY E. FRANKHOUSER, JR., of 433 South 5th Street, Reading, Pa., stated that [] who had been living with FRANKHOUSER had gone to Europe. FRANKHOUSER claimed that [] was out of a job and broke, but that "they" (whom he did not identify) were paying his expenses, including living costs in Europe and round trip plane fare. The source assumed "they" is the National States Rights Party, but this is only a guess on his part.

Another source advised SA [] on May 8, 1961, that [] had indicated his intention of leaving Reading, Pa., April 29, 1961, for a pleasure trip to England, France and Germany, and would return June 1, 1961.

Recent spot checks have failed to result in [redacted] having been located in and around Reading, Pa.; however, because he was unemployed no particular significance was attached. As set out in referenced airtel a PCI (RAC) of this office saw a letter to another NSRP representative wherein [redacted] set out planned to go to England on 4/29/61, but PCI was skeptical of this.

On 5/8/61, [redacted], whose identity should be concealed as she is [redacted], advised that [redacted] has gone to Europe. FRANKHOUSER told her that [redacted] had no job and no money, but that "they" (unspecified) were paying his travel by plane and expenses while in Europe.

Character: RACIAL MATTERS

Synopsis:

ROY E. FRANKHOUSER, JR., Reading, Pa., elected National Organizer of National States Rights Party on 11/26 or 27/60. FRANKHOUSER has long record of affiliation with radical organizations and both he, [REDACTED] and [REDACTED] have admitted affiliation with and activity in NSRP. All three of the foregoing have former association with GEORGE LINCOLN ROCKWELL's American Nazi Party, but have reportedly disassociated themselves from it in favor of the NSRP. Locally FRANKHOUSER, [REDACTED] and/or [REDACTED] have participated in picketing Pennsylvania Governor LAWRENCE at a local affair for "Bonds for Israel," in picketing a night club in New Jersey where SAMMY DAVIS, JR., was appearing, and were present, although not participants at Philadelphia, Pa., when trouble was anticipated from ROCKWELL's group.

[REDACTED], who claims to be [REDACTED] and [REDACTED] of the NSRP, resides with FRANKHOUSER at 433 South 5th Street, Reading, Pa., which is also "local headquarters." [REDACTED], who claims to be both [REDACTED] and [REDACTED] of the NSRP, resides at [REDACTED]

[REDACTED] Pa. AN INFORMANT HAS ADVISED THAT [REDACTED] OF THE NSRP NEWSPAPER "THE THUNDERBOLT," OCCASIONALLY CARRIES A FIREARM, AND HAS STATED HE WOULD SHOOT ANY FBI AGENT SURVEILLING HIM. ROY E. FRANKHOUSER, JR., AND [REDACTED] BOTH OF READING, PA., WERE ARMED WITH SIDEARMS WHEN CONTACTED BY REPRESENTATIVES OF ANOTHER GOVERNMENT AGENCY.

DETAILS:

At Reading, Pa.

Philadelphia Confidential Informant T-1 advised November 28, 1960, that the National States Rights Party (hereafter referred to as NSRP) had, on November 26 and 27, 1960, held a conference at Chattanooga, Tenn., at which officers were elected, and ROY FRANKHOUSER, of Reading, Pa., was elected National Organizer. PH T-1 advised that at this conference, FRANKHOUSER had little to say, but did advocate white supremacy. He was, according to PH T-1, opposed to any "neo-Nazi movement." FRANKHOUSER was also quoted as predicting race riots in the North, which would make the Northern whites realize the Southern whites' problems, and support their battle to preserve racial segregation.

ROY FRANKHOUSER (full true name ROYSON EVERETT FRANKHOUSER, JR.) is a white male, born at Reading, Pa., April 4, 1939. He is presently employed by the Reading Laundry, Inc., and resides at 433 South 5th Street, Reading, Pa., with [redacted]. FRANKHOUSER voluntarily contacted the FBI on January 23, 1961, and indicated that inasmuch as the FBI had heard all about him, he wanted to give a true picture. FRANKHOUSER told SAS [redacted] and [redacted] that he is "100% in favor of segregation, but is not anti-Catholic or anti-Semitic, and does not advocate or condone violence or vandalism of any sort." He claimed that years ago he had been in the Ku Klux Klan in Georgia, and had met ELDON EDWARDS, the Grand Wizard. He claimed to still correspond with the Klan. FRANKHOUSER stated that he gets literature from many groups and selects that which most nearly follows his own thinking. He said he still belongs to the White Citizens Council and the Northern League, aka Northern League of Ireland. He claimed to be the "advisor" of a group of high school students who had formed a local group which was "thinking

PH 105-3918

along Nazi lines" and had been anti-Catholic and anti-Jewish, as well as anti-Negro. FRANKHOUSER named [REDACTED] as one of these high school students.

The Ku Klux Klan has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

The American Nazi Party is characterized in the appendix of this report.

PH 105-3918

[redacted], admitted to SAs [redacted] and [redacted] on January 29, 1961, that he had belonged to a "kid group" in high school who called themselves the "American Nationalist Party (ANP)", which had three subgroups, one each directed against the Negro, the Catholic and the Jew. He himself had been the head of the anti-Negro group. [redacted] also admitted that he had no true group of followers, and the ANP died a natural death for lack of activities. [redacted] claimed that as of that time, he was a member of the Northern League.

On April 20, 1961, ROY FRANKHOUSER, JR., volunteered to SA [redacted] that he wanted to discuss some matters. On first appearing, he gave the Nazi salute and said "Heil Hitler," then pointed out that today (April 20) was HITLER's birthday. FRANKHOUSER said he has been "exposed to a lot of that stuff lately," and said that he had spent the preceding two weekends at the headquarters of GEORGE LINCOLN ROCKWELL at Arlington, Va. He claimed that in all he had been there about four times, and was always accompanied by [redacted]. FRANKHOUSER stated he was not in sympathy with ROCKWELL and his group, and he believes ROCKWELL is hurting the cause of segregation. He is attempting to infiltrate the ROCKWELL group, and then sends all information he can get to the Associated Citizens Councils, the group he is really in sympathy with. FRANKHOUSER claimed he had made several outdoor speeches in the area, on behalf of the Citizens Councils. He stated that for about the past year he has been getting information about racial matters, civil disorder, and the breakdown of crime rates by race, from whatever sources that are available. These he uses to bolster his segregationist activities.

PH 105-3918

[] advised SAS [] and [] on July 25, 1960, that he has enlisted in the U. S. Marines and is scheduled to report for active duty September 2, 1960. [] stated that he now realizes he had been "very foolish" in the past and wanted to make a clean breast of his activities.

[] said he was born [], at [] Md., and (as of September 2, 1960) lived with his parents and "kid brother" at [], Reading, Pa. He had finished 12th grade at the Reading High School in June 1959, but took a postgraduate course the next year to get extra credits. He had hoped to go to college, but was turned down because of poor grades.

[] stated that as of that time, he had been out of contact with FRANKHOUSER since the previous April. He said that he now believes FRANKHOUSER is crazy, and is inclined to doubt much of what ROY has told him in the past about his Ku Klux Klan activities. ROY has also told him that he has attended Communist Party meetings in New York.

The Communist Party has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

PH T-2 advised SA [] on October 20, 1960, that Box #431 at the Reading Post Office was taken out October 3, 1960, in the name of the "Quad States Citizens Council, Reading Council." This application was made by ROY E. FRANKHOUSER, JR., who gave his home address as [], Reading, Pa.

This is not the address of FRANKHOUSER, who lived at 433 South 5th Street, but is the home of the []

PH 105-3918

[] family, where FRANKHOUSER and [] are known to have received mail, ostensibly to conceal the receipt of same from their families.

PH T-2 also advised October 20, 1960, that on that date Post Office Box #1432 had been taken out in the name of the National States Rights Party. [] made application for this box, and stated that the NSRP was a "political party - political education." [] gave his home address as [], Reading, Pa., but claimed that the business address of the NSRP was [], Reading, Pa. [] and ROY FRANKHOUSER were both authorized to receive mail sent to Box 1432.

PH T-3 advised December 18, 1960, that earlier that same day, ROY FRANKHOUSER had led a group of FRANKHOUSER and four other youths to 702 Byron Street, Pennside, Reading, Pa., where Pennsylvania Governor DAVID L. LAWRENCE was appearing before a small group in a private home to launch the Tenth Annual "Bonds For Israel" Drive. When the Governor and his party arrived, the five displayed crudely-made placards and attempted to picket until stopped by local and state police. Newspaper reporters were also present, and PH T-3 stated that FRANKHOUSER had personally called the local paper to advise them of the contemplated picketing. The placards displayed read "White Man your fight is Belgian Congo, New Orleans, South Africa, Little Rock, French Alg ria," "White Man with 'all' the gold going out of the U. S. Buy U. S. Savings Bonds" and "To all Loyal Christians and Hebrew, A Merry Christmas and a Happy Hannukah - To all Reds and Race Mixers, DEATH."

In addition to FRANKHOUSER, the pickets present were [] and a fifth unidentified youth who was supposed to be from []'s home town, [], Pa.

PH 105-3918

b6
b7C

FRANKHOUSER wore an armband composed on a Confederate flag, and carried one placard. [redacted] wore a "Thunderbolt" emblem on his coat (symbol of the NSRP) and carried small American and Confederate flags. [redacted] also wore a Confederate flag armband, and carried a placard and a small American flag. [redacted] carried a placard, and the fifth picket carried nothing, did nothing and stayed very much in the background. PH T-3 said he seemed "thoroughly scared." The group had also carried literature, including copies of the "Thunderbolt" (NSRP organ) and the November 1960 issue of "The Citizens Council," but police intervention prevented their disturbing these, and the demonstration was broken up in a very few minutes.

Trooper [redacted], Troop C, Pennsylvania State Police, Reading, Pa., who was with the Governor, advised December 18, 1960, that he had questioned FRANKHOUSER (identified by description and dress) whom he regarded as the leader of the group, but this individual had refused to identify himself. FRANKHOUSER did tell Trooper [redacted] that they represented the NSRP, and said that [redacted], Philadelphia, Pa., was leader of the group, and that J. B. STONER, an attorney, represented them. [redacted] stated that he made no arrests since the group was actually peaceful, and he felt that to do so would cause more commotion than simply "chasing them off."

PH T-4 advised December 21, 1960, that ROY FRANKHOUSER had apparently been affiliated with ROCKWELL's group in Arlington, Va., in the past, but in recent weeks has made no mention of him, and seems to have severed his connections with ROCKWELL.

[redacted] Pa., advised SAS FREDERICK T. HOULIHAN and [redacted] on December 21, 1961, that he had [redacted] [redacted] Pa., and that he was planning to [redacted] [redacted]. He had been trying to obtain [redacted] books held by JOHN KASPER, who had been head of the Seaboard White Citizens Council.

[redacted] said he had joined the NSRP in November 1960, and that as of December 21, 1960, the NSRP had no local chapter in [redacted]. He had belonged to the White Citizens Council about two weeks, but now KASPER is disbanding it to prevent GEORGE LINCOLN ROCKWELL from using it.

[redacted] was reinterviewed by SAS HOULIHAN and [redacted] on February 21, 1961, at [redacted], which is the [redacted]. [redacted] resides alone in the rear at that address. He stated that he [redacted] [redacted]. He pays \$40.00 a month rent, and to date has [redacted].

He said that there are a number of people in the area who are members of or interested in the NSRP, but declined to give the number or identify them. He stated that he is [redacted] for the NSRP.

[redacted] said he has been active since joining last November, and participated in picketing Governor LAWRENCE at Reading, Pa., in December 1960 in lobbying at the State Capitol, Harrisburg, Pa.; in a demonstration at Philadelphia, Pa., where "Exodus" was showing at a theater; and in picketing SAMMY DAVIS at Camden, N. J.

[redacted] stated that in [redacted] the NSRP meets informally about twice each week, but he declined to say when or where these meetings were held, except that they were irregularly held, and the place was not fixed. He stated that ROY FRANKHOUSER is the State Chairman of the NSRP.

PH 105-3918

According to [redacted], the NSRP expects to elect one of its members as President of the United States in 1964 and then, with members of the organization in the Cabinet and Congress, they will be able to accomplish their goals. According to him, the NSRP plans to try all Jews, and any found guilty of Zionism, race mixing or Communism will be imprisoned or deported. Also any other persons found guilty of race mixing or Communism would be imprisoned or deported. He also said the NSRP expects to return all Negroes to Africa.

[redacted] said that he and the NSRP are against integration, Communism and Zionism, and feels that these are the greatest threats against the United States. He said he would not furnish the identity of NSRP members in the [redacted] area lest these persons be harassed, but that "when the right time comes, these individuals will come forward and make themselves known."

He stated that he expects, after the NSRP is more firmly entrenched in the [redacted] area, that he and other members can take steps to combat integration in the schools, restaurants and other public places in the area, and they will be able to effectively oppose the Jewish people who control politics and politicians. He hopes to get enough money through the operation of [redacted] to be able to control votes in the area in favor of the NSRP and against the Jewish people who, through pressure, now control politics in the area.

[redacted] also mentioned that when he picketed the Governor last December, he had been accompanied by another [redacted] youth, but he declined to identify this person.

On April 6, 1961, MR. [redacted] of the Philadelphia Inquirer, Philadelphia, Pa., turned over to SA NORRIS HARZENSTEIN material that he had received

PH 105-3918

through the U. S. mail. This consisted of an envelope addressed "Philadelphia Inquirer Newspaper Editor, Philadelphia, Pa., Attn: HEAD JEW," postmarked April 3, 1961, at [redacted], Pa., and bearing the return address "[redacted] Pa. - The World's Largest Distributor of Anti-Communist and Anti-Jewish Pamphlets"

The letter read:

"Dear Sir:

"Recently I noticed your 'hate' article against the John Birch Society and its founder Mr. WELCH. Every time a right wing group gets started and gains influence you filthy Jews always start raving about 'hate' groups.

"I suggest that an investigation of the secret society called the Anti-Defamation League of the B'nai B'rith should be started, but of course you being a kike and liberal would not dare to suggest such a thing.

"We white Christians are not going to lay down and let you Asian swine trample over us much longer.

"Sincerely

"/s/[redacted], Ultra-Conservative"

Also enclosed for the Inquirer Editor were an undated issue of the Thunderbolt, bearing a rubber stamp impression reading "National States Rights Party, P. O. Box 423, Wilkes-Barre, Pa.;" a small pamphlet entitled

PH 105-3918

b6

"Which Race Threatens Us?" by "The Patriot;" and three cartons. The pamphlet and cartoons are unmarked as to origin or author.

PH T-3 advised December 30, 1960, that on that date [redacted], Pa., had received from ROY FRANKHOUSER a membership card for the Quad States Citizens Council and an application and brochure for the NSRP.

PH T-3 advised January 30, 1961, that [redacted] had left his parents' home ([redacted], Reading, Pa.) and moved in with FRANKHOUSER at 433 South 5th Street, Reading, Pa. (second floor apartment). PH T-2 said these quarters were cluttered up with numerous cardboard boxes which, by their shape and weight, contained paper, possibly literature. In the process of moving, [redacted] said that he was to be [redacted] and [redacted] of the NSRP, and that meetings would be held in the apartment, but that the really big headquarters would be in Philadelphia, Harrisburg and Pittsburgh, Pa. According to PH T-2, FRANKHOUSER returned to the apartment after [redacted] had arrived. FRANKHOUSER explained that he had been attending a Friends Meeting (Quakers) where there had been a speaker from the National Association For The Advancement of Colored People (NAACP). He said there had been a "little trouble," but did not elaborate. On this occasion FRANKHOUSER and [redacted] also discussed plans for going to Philadelphia to observe the proposed appearance there of GEORGE LINCOLN ROCKWELL. They planned to be spectators only, and were sure there would be a riot.

Later the same evening [redacted] made the statement that "ROY (FRANKHOUSER) is a friend of ROCKWELL, and wants him to abandon his Nazi ideas and support the NSRP."

PH 105-3918

Lieutenant [redacted], Intelligence Squad, Philadelphia Police Department, Philadelphia, Pa., advised SA MAHLON J. PRICE on February 6, 1961, that on February 1, 1961, [redacted], white, age [redacted], of [redacted], Sewell, N. J.; [redacted], white, age [redacted], of [redacted], Sewell, N. J.; and [redacted], white, age [redacted], of [redacted], Sewell, N. J., were stopped at 6:50 p.m. as they were entering Philadelphia on the Delaware River Bridge from New Jersey. They were escorted back to New Jersey.

[redacted] also advised that the same evening (February 1, 1961), [redacted] and ROY FRANKHOUSER went to the South Detective Division looking for [redacted] to see if he needed bail. [redacted] told officers they had come to Philadelphia to watch the picketing, but planned to take no part. [redacted] said he was [redacted] of the NSRP, and exhibited cards proving his membership in these organizations. [redacted] told the police he is opposed to violence, but is anti-Communist, anti-Jew and believes in segregation.

FRANKHOUSER told the authorities that he wanted to talk to any detained members of the NSRP, and bail them out. He said that he himself was not a member of GEORGE LINCOLN ROCKWELL's party, but that he wanted to help [redacted], who was a member. FRANKHOUSER also told the officers that he was, at one time, a member of the Communist Party.

[redacted] further advised that on February 2, 1961, [redacted] had telephoned Acting (County) District Attorney PAUL CHALFIN, claimed he was a representative of the American Nazi Party, and that he had been ordered by his commander to see the three persons arrested. [redacted] and [redacted] had been told that he had to get the permission of the Philadelphia County Prison for these visits.

PH 105-3918

b6
b7c

[] also advised that on February 2, 1961, GEORGE LINCOLN ROCKWELL had called Captain [] of the Intelligence Unit, and asked if he could send a representative to see the three arrested men. ROCKWELL stated at that time that [] was his only representative (of the three), but that he knew the other two men and their families, and wanted to secure their release pending trial.

PH T-5, another Government agency, had two representatives interview [] on March 9, 1961. These men advised that when they arrived for the interview, both [] and FRANKHOUSER were present and were wearing sidearms. [] was dressed in a gray shirt with the "Thunderbolt" insignia sewn on the pocket, gray-green trousers, and a Sam Browne belt. He also wore a small lapel pin consisting of a silver sword across a red circle, which he said was the "Security Emblem" of the NSRP. FRANKHOUSER was wearing what appeared to be a "top break" S & W revolver, possibly .38 calibre. FRANKHOUSER dominated the conversation while he was present, but had to leave shortly to go to work.

PH T-5's representatives advised that FRANKHOUSER exhibited strong anti-Negro feelings and, although professing not to be anti-Semitic, his statements belied this claim. FRANKHOUSER also mentioned that he had been in contact with the Fruit of Islam, a division of the Nation of Islam, because of their desire for racial segregation.

The Nation of Islam (NOI) and the Fruit of Islam (FOI) are characterized in the appendix of this report.

After FRANKHOUSER left, [] told PH T-5's representatives that he had originally intended to enlist in the U. S. Marines for a four year period. However, because of his present position as [] of the

PH 105-3918

b6
b7C

NSRP, and the fact that his previous orders were cancelled, he will not enlist for four years. He would accept a six months tour of active duty and the required enlistment time, but feels that a longer period of active duty would interfere with his political activity. Six months would help build him up physically however. [] said he would go to jail rather than serve a longer period in the Marines. He also said that if sworn in for six months, he would definitely attempt to indoctrinate and recruit others into his political party. [] declined to execute a signed statement, saying that he would put nothing in writing.

[] said that although he was not physically present at the recent picketing of Pennsylvania Governor LAWRENCE when the latter visited Reading, Pa., he was the actual organizer of the demonstration. [] asked about [], identified him only as [] of the NSRP. He also stated that [] was a subordinate of his ([]) who worked as [] in Philadelphia, Pa. [] declined to discuss [], explaining that he was not permitted to divulge this information. He also mentioned that there are a number of NSRP members residing there (in the apartment at 433 South 5th Street) and that the NSRP has a large group of followers in Reading, Pa., including "friends in City Hall."

The representatives of PH T-5 are of the opinion that [] was attempting to record their interview with him, but that he was unsuccessful.

On March 23, 1961, PH T-3 advised that on March 12, 1961, what was initially supposed to be an NSRP meeting and party was held at 433 South 5th Street. However, the meeting was cancelled, allegedly because some of the persons invited were unable to attend, and the affair was primarily

PH 105-3918

a "beer drinking affair." Present were ROY FRANKHOUSER, [REDACTED], PH T-3 felt that from the number of chairs provided, not more than six persons had been anticipated. During the affair FRANKHOUSER read a lengthy speech, in which he made a propaganda attack on the Jews and Negroes, and accused the Jews of all being Communists. He claimed that the NSRP had distributed about 8,000 pieces of literature locally during Brotherhood Week.

b6
b7C

PH T-6 advised SA MAHLON J. PRICE on April 12, 1961, that he had, some time ago, met [REDACTED] at a "For America" meeting in Philadelphia, Pa. [REDACTED] had showed the informant a card of some sort, bearing an expiration date, and said he was a member of the National States Rights Party. [REDACTED] claimed to be a sympathizer of (GEORGE LINCOLN) ROCKWELL, but because of his job, could not afford to be identified with his organization.

PH T-7 advised April 17, 1961, that Post Office Box 423 at the Wilkes-Barre Post Office was rented October 18, 1960, in the name of the American National Political Party. [REDACTED] signed for this box, giving his residence address as [REDACTED] and his business address as [REDACTED], both [REDACTED], Pa. Mail would be received at the box, he indicated, by himself and the National States Rights Party.

PH T-8 advised April 17, 1961, that [REDACTED] is still interested in and active in the NSRP. There is no local [REDACTED] organization formed to date, but there are a number of local people interested who have been going to [REDACTED] for literature. Among these are students of [REDACTED] College and [REDACTED] College, both of [REDACTED], Pa. Allegedly, most of the people interested in the NSRP are "afraid of the Jews" and, for that reason,

will not join or become active in the organization. [redacted] is supposed to be the only NSRP [redacted] in existence, and, although literature is sold at NSRP Headquarters, that [redacted] handles is, for the most part, different. [redacted] is also [redacted] in [redacted], Pa.

PH T-3 advised April 20, 1961, that he had been in telephonic contact with one [redacted], Pa., and although they have never met [redacted] spoke freely. [redacted]'s name was given to PH T-3 by ROY FRANKHOUSER as an individual to contact in [redacted].

[redacted] told PH T-3 that, in his opinion, the men recently convicted in Wilmington, Del., for bombing a Negro's home are members of the NSRP. [redacted] also mentioned another NSRP member named [redacted]. PH T-3 got the impression from talking to [redacted] that there is some disagreement in the NSRP, and that [redacted] feels FRANKHOUSER is not doing a good job of organizing. [redacted] also told PH T-3 that one [redacted], who lives around [redacted], was supposed to call PH T-3. Informant offered to call [redacted], but was advised that [redacted]'s family is opposed to his NSRP activities, and that PH T-3 should wait until [redacted] is free to initiate the call, and get informant started in the [redacted] activities of the NSRP.

[redacted] also told PH T-3 that at a meeting held at [redacted]'s house on April 9, 1961, [redacted] became "very arbitrary" and ROY FRANKHOUSER told [redacted] to "turn in your membership card."

DOCUMENTATION OF ORGANIZATIONS

PH 105-3918

AMERICAN NAZI PARTY, ALSO KNOWN
AS WORLD UNION OF FREE ENTERPRISE NATIONAL SOCIALISTS

Regarding the American Nazi Party, a source, who has furnished reliable information in the past, advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL, of Arlington, Va., had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

ROCKWELL, on March 26, 1969, furnished to Special Agents of the FBI a copy of the program of the WUFENS, stating that he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

The source advised on August 9, 1960, that the main activity of the organization has consisted of picketings of the White House with anti-Jewish placards, distribution of anti-Jewish literature and open air talks by ROCKWELL attacking Jews as traitors to the United States. On July 3, 1960, and July 24, 1960, ROCKWELL was arrested on charges of disorderly conduct. On the latter occasion sixteen other members of the American Nazi Party were also charged with disorderly conduct.

FH 105-3918

FRUIT OF ISLAM

On 5/18/60, a source advised that the Fruit of Islam (FOI) is a group within the Nation of Islam (NOI) composed of male members of the NOI. The purpose of the FOI is to protect officials and property of the NOI, assure compliance of members with NOI teachings and to prepare for the "War of Armageddon." Members of the FOI are required to participate in military drill and are afforded the opportunity to engage in judo training. The FOI is governed by a military system wherein the members are controlled by general orders similar to those issued by regular military organizations.

NATION OF ISLAM, formerly referred
to as Muslim Cult of Islam,
aka Muhammad's Temples of Islam

In January, 1957, a source advised that Elijah Muhammad had described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 18, 1960, another source advised that the Nation of Islam (NOI) is an all-Negro organization which was originally organized in 1930 in Detroit, Mich. Muhammad, its present national leader, claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States.

Members following Muhammad's Teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including Muhammad, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 5, 1958, the first source related that Muhammad, upon advice of legal counsel, had tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government. However, he did not indicate any fundamental changes in the teachings of his organization.

On May 16, 1960, another source reported that Muhammad, early in July 1958, had decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to Muhammad, would help him to acquire additional followers and create more interest in his programs.

RACIAL MATTERS

On 5/31/61, [REDACTED], Philadelphia, Pa. was interviewed by SAs [REDACTED] and MAX D. BROWN with SAC authority.

[REDACTED] produced a membership card for the Quad States Citizen's Council of the Citizen's Council of America, White Citizen's Council, dated Oct. 29, 1960. The card had his name handprinted on it and was unsigned. He said the card was given to him in October by ROY FRANKHOUSER, of Reading, Pa.

[REDACTED] said he does not consider himself to be a member of that organization and had thought of tearing up the card. He said there had been about three meetings at his place by ROY FRANKHOUSER, [REDACTED] (FNU) [REDACTED], and other persons whose names he does not know. He said the meetings were all discussions of Constitutional law and coffee drinking affairs.

[REDACTED] said usually there were about 10 to 14 people present and that it appeared to him that ROY FRANKHOUSER was more or less in charge or the leader. He said it appears to be an area organization rather than local.

[REDACTED] said that he believes [REDACTED] lives around the [REDACTED] block of [REDACTED] in Philadelphia and has formerly worked for [REDACTED] and as an instructor at [REDACTED].

He said that [REDACTED] either works or worked in a [REDACTED] somewhere in New Jersey and lives in south Philadelphia.

He said (FNU) [REDACTED] is about [REDACTED] years of age. He said he does not know where he lives or works.

[REDACTED] said he has had a few discussions with [REDACTED] of New Jersey, but said he belongs to no organizations with [REDACTED]. He said [REDACTED] had told him that he planned to picket the movie EXODUS at Philadelphia, Pa. on February 1, 1961. He said he did not join [REDACTED] in this however. He said that most of his discussions with [REDACTED] were concerned also with Constitutional law, and nothing of a violent nature or pro-nazi nature was discussed.

SUBJECT: ROY E. FRANKHOUSER, Jr., aka.
Racial Matters

In an attempt to develop informants who might be or be placed in a position to furnish information about subject or the NSRP, two individuals reputed to have had casual affiliation with subject in the past were contacted under pretext on this date:

(1) [REDACTED], Reading, Pa.
[REDACTED] was observed to be of the colored race, and it is inconceivable that subject with his segregationist views would be in association with [REDACTED]. [REDACTED] advised that he is [REDACTED] and also works at [REDACTED] part time. This coincides with information previously furnished about FRANKHOUSER's associate- and this discrepancy cannot be explained. [REDACTED] does not know FRANKHOUSER or [REDACTED] by name or description.

(2) [REDACTED], Reading, Pa.
[REDACTED] advised that he does not know a youth named "ROBERT ROY HOUSER" (pretext- name invented). He advised that he graduated from Reading High School a year ago and just completed his first year at [REDACTED], Pa. Eventually the conversation was "worked around" to the point where [REDACTED] mentioned that he is a [REDACTED] and that he knows ROY FRANKHOUSER who he described as a (profane) fool. He then related that he worked both the summers of 1959 and 1960 at [REDACTED] and met ROY in that manner. ROY, he advised is a "screwball" and is violently anti negro. However he is well read and fairly intelligent and does have a wide circle of acquaintances in what [REDACTED] described as the lunatic fringe, or at least claims that he has. FRANKHOUSER and [REDACTED] have talked on numerous occasions, usually at [REDACTED], but have also met a few times at the Espresso House on North 5th St., Reading, Pa.

Eventually [REDACTED] admitted, after assurance that his identity would be protected, that he has gone with FRANKHOUSER to a couple of meetings. He related that ~~last fall~~ during the summer of 1959 he accompanied ROY to Arlington, Va., where they met George Lincoln Rockwell. They hitchhiked both ways, after staying overnight. ROY had apparently known ROCKWELL before, at least he said he had been there before, and did seem to know his way around the house. [REDACTED] claims he had no interest in ROCKWELL and his group except because of his interest in [REDACTED] which he intends to [REDACTED].

[] also stated that several weeks after he and ROY went to Arlington, he and [], a friend of FRANKHOUSER's who lives somewhere around the [] block of [], Reading, went to a White Citizens Council Meeting in Hefford (PH), Md. They went by train but were brought back to Lancaster, Pa., by some man who had been at the meeting and who lived near Lancaster, Pa., Then they returned to Reading by bus, from Lancaster.

[] comments about FRANKHOUSER and his thinking were such as to leave no doubt that he is not in sympathy with ROY. He said that it is a wonder to him that someone has not beaten ROY to a pulp, especially at the Espresso House, where subject is most outspoken. He offered to relate to the FBI all information that comes to his attention about ROY, on condition that he will not be revealed as the source, but said that he has never agreed with ROY's thinking, and they have argued bitterly, and it is unlikely that ROY would trust him should he begin to "play along" with him.

[] did relate that from numerous conversations he has gleaned the following information: (Some of these statements made by ROY might well be fabrications, since FRANKHOUSER is, in his opinion a liar as well as a fool) ROY claims to be or have been a member of the KKK, the White Citizens Council, the Socialist Party, the American Nazi Party, and the National States Rights Party. The latter group (NSRP) is the one he has mentioned most recently, and once when [] met ROY by chance on the street several months ago, ROY was with a tall red-haired youth who he introduced as [] or some such name. This youth, ROY said was living with him and was "most active as an organizer". [] last saw ROY about three weeks ago at the Espresso House at which time ROY said that [] was attending meetings in England. [] doubts this, as [] impressed him as a screwball in the same class as ROY and doubts that he would be sent to England by anyone with the intention of having adequate representation.

[] said that he does not know or recall anyone else in the area mentioned by ROY as affiliated with the NSRP. Later the same date he telephonically advised that he recalled ROY having often mentioned [] (IAU) who operates a [] in the [] block []. He does not know if this person is supposed to be in the NSRP or not.

[] may have PCI potential as regards ROY FRANKHOUSER, and a case should be opened. Prior to contact with him it was ascertained that he has no local credit or arrest record, either as an adult or a juvenile.

Attached hereto are copies of an FD-302, results of an interview with subject's father. Mr. [REDACTED] was interviewed following his telephonic request to have an Agent contact him at work.

Mr. [REDACTED] volunteered information indicating that he is not, presently at least, in a position to furnish any information of value. He does not know the exact address at which subject is living and apparently has no idea of the extent of involvement of [REDACTED] in the NSRP other than that he is a member and has in the past had literature of this group in his possession.

Mr. [REDACTED] was obviously upset by the subject's actions and said his wife is in a state of "near hysteria." He has no intention of telling his wife he has discussed [REDACTED] with the FBI, although she initially suggested this. Should Mr. [REDACTED] volunteer any information it will of course be accepted, but it does not appear this will be the case.

On June 12, 1961, Mr. [redacted]
[redacted], Reading, Pa., telephonically requested that he be
contacted at his place of employment, [redacted],
Laureldale, Pa. He stated that "It appears we have a mutual
problem."

Contacted in person on June 12, 1961. Mr. [redacted]
advised that he is the stepfather of [redacted],
aka [redacted], "[redacted]" and "[redacted]". Mr. [redacted] said his
wife divorced her first husband when [redacted] was a small child,
and he has been married to her about ten years.

He and his wife never had any trouble with [redacted] until
the summer of 1959 at which time he apparently met ROY
FRANKHOUSER. According to Mr. [redacted], his stepson had been
a member of some group at Reading High School, and in a manner
not clear to him FRANKHOUSER "took over" this group, and it
developed into an organization with anti-Semitic and anti-Negro
feelings.

Mr. [redacted] stated that [redacted] was born in Maryland and
had attended school in Baltimore before moving to Reading, Pa.,
but had never before exhibited any prejudices. He was an avid
student of the Civil War, read a great deal about it, and
collected books and souvenirs, however, and this may have con-
tributed in part to his feelings.

Mr. [redacted] has only met ROY FRANKHOUSER on one occasion
during the summer of 1959 when ROY came home with [redacted]. Soon
after that it became apparent to the subject's parents that ROY
was influencing [redacted]'s thoughts in an undesirable manner, and
they sent [redacted] to his grandfather's place in Maryland for a
few weeks hoping he would forget ROY. After he returned to
Reading they eventually forbid [redacted] to see ROY as a last
resort and insofar as they knew had accomplished their aim, but
it now appears they were meeting secretly and that they had
been talking often by phone as well.

On 6/12/61 at Laureldale, Pa. File # Philadelphia 157-203

Mr. [] advised that he and his wife have tried to talk the boy out of this "twisted thinking" but that he takes the attitude that they just don't understand. Although he is only [] (nearly []) he is big and stubborn and his parents can do nothing with him. It was apparently because of their objections to his seeing FRANKHOUSER and his anti-Negro feelings that [] left home at the end of January 1961 and apparently moved to an apartment with FRANKHOUSER somewhere on South Fifth Street. Since then he has called them occasionally and stopped by about once a week but refuses to discuss his activities outside of the fact that he is well and working.

According to Mr. [], [] had been given about \$1,000 by his grandmother several years ago, and Mrs. [] has kept this for him. About the middle of April 1961, [] went to his mother and demanded this money, saying he had decided to take a trip to England to see a friend. After a long and bitter argument [] said this friend was a man named [] but absolutely refused to say more about him, and Mrs. [] gave her son \$600 of his money. He was definitely in England, as he sent his parents a couple of postcards, but these were very brief and said nothing of his activities. Also, since his return he has not said what he did in England other than saying he enjoyed every minute of it.

Mr. [] advised that he and his wife are most concerned about their son's activities. They are, he added, aware through articles in the local papers and statements of [] himself aware that the authorities are aware of ROY and []'s activities to a limited extent at least, and Mr. [] asked if the FBI could do anything to convince [] that the National States Rights Party is a "crackpot organization," which will only get him in trouble. [] feels that the publicity this organization is getting in the papers regarding the disturbances in the South, should convince anyone it is a radical group, and he admitted that in view of his responsible job at [] he considers it possible that his own position may be affected by the boy.

PH 157-203

Mr. [] indicated by various statements that he was not aware other than very generally of []'s activities. He did offer to furnish the FBI any information he happens to acquire about the boy's activities, if it will assist in "breaking up" this group.

What we need is something similar to a jeep truck, for which we can speak from the back of and carry a lot of men and equipment. We must have some sort of vehicle for the exclusive use of the party, once we have this vehicle, you can expect terrific results for the cause. Mr. [REDACTED] has thrown the remainder of his savings into Kitty for the Automobile Fund, but it is not near enough. We must all see what we can do to get this transportation for the party. If it is impossible for you to contribute, please do your best to look around for a cheap vehicle in which we could acquire. We must all get together and do our best to get this very much needed and important transportation for the party. Thank you.....

[redacted], Shillington, Pa., was contacted June 9, 1961, and advised that he has known ROY FRANKHOUSER, of the 400 block South Fifth Street, Reading, Pa., about eight to twelve months. [redacted] is a collector of souvenirs of World War II and was given FRANKHOUSER's name by one [redacted], who [redacted] has known for years. [redacted], who is apparently away at school now, said that FRANKHOUSER had a collection and that he and [redacted] might like to compare notes or make some trades.

Actually, [redacted] estimated he has seen FRANKHOUSER about six times in all and on two or three occasions they have traded a few items. [redacted] has a couple of German Books and a German Mauser rifle that he got from ROY and in turn ROY acquired some books. [redacted] said that ROY does, or at least a few weeks ago did, have a couple of Mauser rifles, but does not to his knowledge have any pistols.

[redacted] voluntarily stated that he attended a party at ROY's place about two months ago. ROY had invited him to come and bring some of his German records. These are German marches, etc., and are collector's items. One is the "Horst Wessel (phonetic) Song," and ROY said that the marching song of the National States Rights Party is to the tune of this song. [redacted] said that he understands only a little German and cannot understand more than an occasional word of his own records in that language.

At the party, [redacted] attended there were only five persons present. Besides ROY and himself, they were [redacted], a fellow named [redacted] from the [redacted] area, who drove [redacted] home after the affair, and a fellow from [redacted] named [redacted].

[redacted] believes that the other four present were all members of the National States Rights Party from their conversation and he was asked then and at several other times

by ROY to join. [] advised that he has read about this organization in the papers and wants no part of it. He stated that he is [] years old, married, and with a family. He has worked about [] years at [] and does not want to get in any trouble.

[] denied recalling any specific statements made by any of the persons present at this affair except that it was very dull. ROY made a speech, which [] claimed put him to sleep, and [] was given an award of some kind. FRANKHOUSER gave [] a medal or pin as a result of something he had done.

He does recall that he saw ROY briefly about two weeks ago having heard that ROY had gotten some new items and might be interested in a trade. At this time, ROY mentioned that [] was in England on a "mission" and that he had flown there and that the party paid his fare. ROY renewed his request to [] to join the NSRP, and [] again refused. According to [], ROY has always been difficult to get in contact with. He did not have a phone, but could sometimes be reached by calling his father's phone, which was on the first floor at the South Fifth Street place. Lately, however, this has been unanswered.

NATIONAL STATES RIGHTS PARTY

On June 15, 1961, a source, who has furnished reliable information in the past, advised that [] returned from England several weeks ago and is presently living in the apartment of ROY E. FRANKHOUSER, Jr., in Reading, Pa. FRANKHOUSER is in Birmingham, Ala., and was due back in Reading June 13, 1961. The source ascertained that FRANKHOUSER hitchhiked to Alabama and was of the opinion that lack of transportation may have caused FRANKHOUSER'S delay.

The source further advised that [] made a statement on June 14, 1961, to the effect that prior to his trip to England he had \$560 in a savings account. [] used \$500 of this amount on his trip to England and gave the \$60.00 to the National States Rights Party car fund. While in England [] attended a meeting, international in scope, of various rightist groups. The source heard [] make the statement that he engaged in some picketing in England and had some of his lower teeth knocked out in an altercation. [] stated a youth group was formed in England while he was there, and similar international meetings of rightist groups are to be held once a year.

The National States Rights Party (NSRP) in Pennsylvania is a part of the National Group, whose headquarters are in Birmingham, Ala.

According to local literature of the NSRP furnished by a source on June 8, 1961, National officers of the NSRP in this area are ROY E. FRANKHOUSER, JR., National Organizer; and [redacted], both of Reading, Pa.

This same source advised July 25, 1961, that FRANKHOUSER and [redacted] devote all their time to the NSRP. FRANKHOUSER has no legitimate employment or known source of income and travels extensively. [redacted] visited England in April and May 1961 and associated with representatives of the British Nationalist Party, a right-wing anti-Negro and anti-Semitic organization. Allegedly his fare and expenses were paid by the NSRP.

A source advised on October 3, 1960, that ROY FRANKHOUSER applied for a Post Office Box in the name of the Quad States Citizens Council, Reading Council. Box 431 was issued and as of August 9, 1961, was still maintained by FRANKHOUSER.

On May 31, 1961, [redacted], Philadelphia, Pa., while being interviewed by an FBI Agent, produced a membership card in the Quad States Citizens Council, unsigned, and with his name printed on the card. He said he was given the card last October by ROY FRANKHOUSER. [redacted] said that a group of ten to fourteen persons had met at his home about three times, including FRANKHOUSER. These meetings were all discussions of constitutional law and coffee-drinking affairs, and FRANKHOUSER appeared to be the leader. In [redacted]'s opinion the QSWCC is not a local organization, but covers a large area.

A second source stated July 25, 1961, that it is his opinion the White Citizens Council at Reading, Pa., is inactive and that ROY FRANKHOUSER and [redacted] devote full time to the National States Rights Party (NSRP). Informant does not know of any connection between the NSRP and the QSWCC, but that FRANKHOUSER and [redacted] belong to both and on occasion have told interviewing police only of their affiliation with the QSWCC.

Second source, [redacted] (PCI-RAG)

ROYSON EVERETT FRANKHOUSER, JR.

FRANKHOUSER on January 23, 1960, advised a Special Agent of the FBI that he is 100% in favor of segregation. He claimed to have been in the Ku Klux Klan, and to still be in touch with Klan leaders, and also stated that he is in frequent touch with Socialist Party, Communist Party, Socialist Workers Party, White Citizens Council, and other similar groups for the purpose of getting ideas and literature in support of his segregationist views. He also admitted having formerly been in touch with GEORGE LINCOLN ROCKWELL's American Nazi Party, and said he is a member of the Northern League of Ireland.

On April 20, 1960, FRANKHOUSER inquired of a Special Agent of the FBI about registering as a foreign agent since he was furnishing to the South African Bureau of Racial Relations (SABRA) information relative to racial incidents and tension in this country as obtained from public sources (mainly newspapers).

A source advised that on November 26 and 27, 1960, the National States Rights Party had a conference at Chattanooga, Tennessee, at which time FRANKHOUSER was elected National Organizer.

[redacted] on July 25, 1960, advised a Special Agent of the FBI that he was strongly pro-segregationist in his feelings and that he had been affiliated with ROY FRANKHOUSER in anti-Negro activities, picketing, etc. [redacted] enlisted in the U.S. Marines in July 1960, but was not accepted because of his segregationist activities. When interviewed by Office of Naval Intelligence representatives, [redacted] was wearing a gun and admitted he was a member of the National States Rights Party (NSRP).

Local NSRP literature made available by a source on June 8, 1961, reflected that [redacted] had resigned as [redacted] to become [redacted] of the NSRP.

A second source advised July 7, 1961, that [redacted] on April 29, 1961, entered England for one month as a tourist. While there he associated mainly with members of the British Nationalist Party (BNP) which was described as an extreme right-wing, anti-Negro and anti-Semitic organization. He also attended the Northern European Camp, held by the Northern European Ring on May 20-26, 1961. This Ring is the international counterpart of the BNP.

For information of Chicago, Los Angeles, San Diego and San Francisco Offices, ROY E. FRANKHOUSER is National Organizer of NSRP, is violently anti-Negro and anti-Semitic. He has led picketing demonstrations in the past and is on the Bomb Suspect List of the Philadelphia Office. For months he has had no visible means of support and probably is a paid employee of NSRP.

FRANKHOUSE (full true name ROYSON EVERETT FRANKHOUSER, JR.), is described as white male, born at Reading, Pa., 4/4/39, with residence at 433 South 5th Street in Reading. He has sometimes identified himself as ROY FRANK HOUSER or ROY HOUSER, and claimed he is member of White Citizens Councils rather than NSRP.

On 8/22/61, [redacted] (whose identities should be concealed, [redacted]), advised that they had returned from a week's vacation last Sunday, 8/20/61, and not having heard from FRANKHOUSER since then made inquiries. Source related that he had contacted the Alexander Hat Factory, West Reading, Pa., where FRANKHOUSER had been working and was told that FRANKHOUSER quit without notice, having last worked 8/18/61. An office worker at Alexander's said that FRANKHOUSER had instructed his last check be sent to [redacted], Reading, Pa. This order, the woman said, was made by letter mailed from Birmingham, Ala., and the check would be sent this Friday to [redacted].

For further information, all offices receiving this communication, Captain [], in charge of Civilian Air Patrol (CAP), Reading, Pa. (protect identity), to which FRANKHOUSER had belonged, advised on the evening of 8/15/61, FRANKHOUSER came to a CAP meeting and turned in all the property issued to him, except a parachute (unservicable), two ground panels, and a compass. When [] mentioned to FRANKHOUSER that the above items were still charged to him, FRANKHOUSER became very angry. He told [] that he had issued them to another CAP man, and did not have time to get them back because he was leaving for California "the first thing tomorrow morning." He told [] to "Sue me if you want to. My lawyer is J. B. STONER." FRANKHOUSER also told [] that "I know more FBI agents than you do;" then he left.

According to [], FRANKHOUSER had come to the airport with another person, but this individual did not get out of the car and no one was able to furnish any description of him. The vehicle was an old Chevrolet, about a 1949 model, two door, light green in color. It had Pennsylvania license number 820-36F, later determined to be registered to FRANKHOUSER.

On the early morning of 8/16/61, spot checks were made of FRANKHOUSER's residence, 433 South 5th Street, Reading, and no activity was noted. Spot checks were also made at railroad depots and FRANKHOUSER was not in evidence, nor was instant car described by Captain [].

Informant further advised he received a letter from [redacted] on 8/20/61 asking him to join the JBS. Informant also stated the next meeting of the IWW although unspecified as to date will be held at the residence of [redacted].

On September 4, 1961, Confidential Informant Atlanta T-1, who has furnished reliable information in the past, advised that he had received a telephone call from the Exalted Cyclops of Confederate Klavern No. 2, United Klans of America, Inc., Knights of the Ku Klux Klan (United Klans), instructing him to report to 279 Queen Street, S. W., at 4:30 p.m. on September 4, 1961. Informant was told that forty (40) men with robes were being assigned a job in connection with the desegregation of four Atlanta high schools.

Confidential Informant Atlanta T-2, who has furnished reliable information in the past, advised on September 4, 1961, that the group meeting at 4:30 p.m. on September 4, 1961, at 279 Queen Street, S. W., intended to picket the home of Mayor William B. Hartsfield in order to protest desegregation of Atlanta schools.

Atlanta T-1 advised during the late evening hours of September 4, 1961, that the group of members of the United Klans had met at 279 Queen Street, S. W. as scheduled and had been broken down into teams of four men each. The four men teams were sent to picket the following places:

The home of Mayor William B. Hartsfield;

The home of Dr. Edwin Harrison, President of

All of the above are located in Atlanta, Georgia. Each team was made up of three robed Klansmen and a fourth Klansman to distribute literature. The three robed Klansmen each carried an anti-integration sign. Picketing was conducted at the above listed locations from 6:00 to 6:30 p.m. on September 4, 1961. No incidents occurred.

On September 5, 1961, Atlanta T-2 advised that the United Klans held a segregation rally on private property off Hollywood Road, N. W., Atlanta, Georgia, beginning at 8:00 p.m. on September 4, 1961. Informant related the following concerning this rally:

Approximately 500 persons were in attendance; speakers were Reverend Henry Huiet and Reverend Ed Elkins; Elkins is an official of the United Klans. Both speakers attempted to justify segregation from a religious viewpoint. James R. Venable, Atlanta attorney, called for a boycott of the four desegregated schools. The last speaker was [redacted], a teenage youth arrested last week at Murphy High School and later released by Mayor William B. Hartsfield. [redacted] charged that his civil rights were violated by his arrest and imprisonment.

Atlanta T-2 advised that during the course of the rally, an incident took place on the adjacent street. He advised that an unmarked automobile arrived on the scene and Roy Frankhouser, Jr. attempted to write down the license tag number of this automobile. Frankhouser and an unknown man, believed by the informant to be a detective, engaged in a brief scuffle, and Frankhouser was placed under arrest. As Frankhouser was being placed into a police car, either [redacted] or [redacted], informant not sure which, rushed

into the street and tried to incite a riot by urging the crowd to interfere with the arrest of Frankhouser. Informant stated that he learned shortly thereafter that the unmarked automobile had been occupied by Atlanta Police Chief Herbert T. Jenkins. Informant stated that immediately following the arrest of Frankhouser someone exploded a small tear gas capsule. After police removed Frankhouser from the scene no further incidents took place. Calvin Craig, Grand Dragon of the United Klans, urged the Klansmen to reconvene on the field where the rally was taking place. The rally was peacefully dispersed.

On September 5, 1961, Captain [redacted] Atlanta Police Department, related the following concerning the United Klans rally on the evening of September 4, 1961:

Captain [redacted] stated that he and two other detectives were conducting a routine surveillance of the Klan rally, and Police Chief Herbert T. Jenkins, accompanied by a reporter, drove to the scene to observe the proceedings. Captain [redacted] stated that he went over to the Chief's car and was conversing with him when an individual kicked him on the leg from behind. He said that his first thought was that he had been jostled in the crowd; however, as he turned he saw that he had been intentionally kicked by Roy Frankhouser, Jr. Captain [redacted] advised that he placed Frankhouser under arrest and placed him in another police vehicle for transportation to police headquarters. At this point, [redacted] and [redacted] rushed in to the street ahead of the police vehicle and tried to block its passage. Both men were urging the crowd to stop the arrest of Frankhouser. Captain [redacted] advised that a small amount of tear gas was released at the height of the incident, however, this tear gas was not released by any member of the Atlanta Police Department. Captain [redacted] advised that Frankhouser was found to have a fountain pen gas gun on his person at police headquarters, and that apparently others in the crowd had similar weapons.

According to Captain [redacted], Frankhouser stated at police headquarters, where he was charged with assaulting an officer and disorderly conduct, that he mistakenly thought Chief Jenkins' car was a car being driven by Federal Bureau of Investigation (FBI) Agents.

Captain [redacted] advised that Frankhouser was released on \$150 bond during the late evening hours of September 4, 1961, and trial has been set for 4:30 p.m. September 5, 1961, in Atlanta Municipal Court.

On September 4, 1961, Captain [redacted] advised that while the car of Police Chief Herbert T. Jenkins was parked at the rally of the United Klans some unknown person slashed the tires of this car and the car had to be towed back to the city garage.

On September 4, 1961, Special Agents of the FBI observed [redacted] in attendance at the rally of the United Klans. After the rally was over, [redacted] was observed in the company of his brother, [redacted], and [redacted]. In this connection, it is noted that [redacted] and [redacted] were indicted, but not tried, for the bombing of The Temple in Atlanta, Georgia, on October 12, 1958. [redacted] was convicted of violation of the Disturbance of School Ordinance, Atlanta, Georgia, on August 30, 1961, and sentenced to thirty days. His sentence was remitted on September 1, 1961.

[redacted] and Roy Frankhouser, Jr. have been identified as members of the National States Rights Party in Reading, Pennsylvania.

Local Man Arrested

Charged by Atlanta Police During Protest Rally

Atlanta, Sept. 5 (P)—A jeering group surrounded a car containing Police Chief Herbert Jenkins during a segregation rally sponsored by the Ku Klux Klan, apparently in the belief he was an FBI agent. About 25 persons clustered around Jenkins' car while a larger band half a block away in West Atlanta was protesting the arrest of a man identified as Roy E. Frankhouser, Jr., about 22, of Reading, Pa., on charges of assaulting an officer and disturbing the peace. Frankhouser was later released on \$150 bond. Police said several men shouted, "don't let them take him," and block the street when they placed Frankhouser in a car and headed for the jail. The men were unable to keep up with the car, however.

Questioned About Pistol
(The UPI reported that Police Capt. R. E. Little said he arrested Frankhouser. Little said he approached Frankhouser, who said he was a member of the National States Rights Party, to question him about a tear gas pistol he was carrying. Frankhouser kicked him in the shins. Little said.)
(Frankhouser's last Reading address was given at 433 S. 5th St. He reportedly has been working in Memphis and Atlanta in recent months. The 1961 city directory lists his employment in Reading as a bundle boy with Reading Laundry, Inc.)
(Frankhouser reportedly was active when Reading, Pa. stores were picketed to protest closing of lunch counters to Negroes in southern cities). The jeering and the arrest occurred after an estimated 300 persons gathered in Almond Park for a rally sponsored by the United Klans of the Ku Klux Klan.

Local 'Nazi' Nailed Again

Reading, Penna., received a nationwide black-eye Tuesday when a 22-year-old racial agitator -- arrested for inciting a disturbance in Atlanta, Ga. -- listed this city as his home.

Actually, however, rabble-rouser Roy E. Frankhouser Jr., whose address was given as 433 S. 5th St., has torn away from his local roots. An active member of the National States Rights Party, he has been popping into the news all along the Atlantic seaboard wherever there have been racial disorders in recent years.

His only two appearances in this area during the past year, according to local authorities, was when he helped to picket a Pennside residence at which Governor Lawrence was addressing a Bonds for Israel rally, and when he attempted to break up picketing of local five-and-ten stores by members of the National Association for the Advancement of Colored People.

Although local police, as well as the F.B.I., have a growing dossier on young Frankhouser, he is relatively little known here. An Associated Press dispatch said he once had been employed as a bundle-boy for Reading Laundries.

(CONTINUED ON PAGE 14)

Local 'Nazi'

(CONTINUED FROM PAGE 3)

Inc., but a telephone call to the local firm's personnel manager met with no response.

A Record reporter Tuesday night visited the S. 5th St. address listed as his home, but found it dark.

"They're hardly ever around," explained a neighbor. "Nobody ever got to know the boy too much. He wasn't very friendly."

City police, although well aware of Frankhouser's Nazi-like activities, have never "had occasion" to arrest him.

Once picked up for questioning, Frankhouser insisted that he had served an Army hitch with a paratrooper outfit, but officials were unable to substantiate the claim. He quit school (Northeast Junior High) in 1956.

When he was arrested Tuesday in Atlanta, for attacking a police captain during a segregation rally sponsored by the Ku Klux Klan, it was the second time he had been apprehended in a large-city disturbance. Last year he was among a brown-shirted, swastika-adorned gang seeking to disrupt a showing of "Exodus" in Philadelphia, and he also had been seized in a racial disturbance in Memphis, Tenn.

No photos of Frankhouser appear to be available here. However, both local and federal authorities indicated to The Record that they are "fully posted" on his incendiary career.

"He'll go the way of all Nazis," was the laconic comment of one top-ranking police official. "Just give him enough rope."

is working on a newspaper called the "Thunderbolt." He has
shortened his name for reasons of expediency in the paper

goes into much detail.

He did say however that the "trumped up charges"

LOCAL 'NAZI' FACES HEARING IN GEORGIA

A young ex-Readingite, who has repeatedly run afoul of the law in his efforts to stir racial strife, will be given a hearing Friday in Atlanta, Ga.

Roy E. Frankhouser, 23, has been charged with assault on a police officer and disturbance of the peace. He was arrested during a segregation rally sponsored by the Ku Klux Klan.

This photo of Frankhouser, at right, is believed to be the only time his picture has appeared in print. It was taken from a group photo of a Civil Air Patrol unit and was offered to The Record by a reader who had served with him.

Little else is known of Frankhouser, except that he is fast becoming regarded by federal authorities as a leading member of the National States Rights Party, a Nazi-like organization which has been fomenting racial agitation throughout the East and South.

Frankhouser's last known address in Reading is 433 S. 5th St. However, neighbors report that he hasn't been seen in this area for some time.

CAP Sacked Frankhouser

Racial agitator Roy Frankhouser, arrested in Atlanta, Ga., Sept. 5 for taking part in a segregation rally sponsored by the Ku Klux Klan, was summarily dismissed from the Reading Squadron of the Civil Air Patrol in May, 1960, a CAP officer told The Record this week.

Frankhouser, who gave his address as 488 S. 5th St., was ordered to hand in his CAP identification card when officers of the group became aware that he "was taking part in un-American activities," according to 2nd Lt. Robert Urkuski, CAP information officer.

A member of the squadron for three years, Frankhouser, who was pictured wearing CAP garb in last week's Record, "tried to talk one of the other youngsters into attending some kind of extremists' meeting with him," Urkuski said.

The young ex-Readingite last Friday waived a hearing on charges of assaulting a police officer and carrying a weapon without a license. Atlanta authorities released him under a \$100 bond and ordered him to appear before Criminal Court in that city.

DEMURRER-- Mention in these pages last week that Roy Frankhouser had been a member of the Reading Squadron, Civil Air Patrol, ranked that unit's upper echelons. Frankhouser, who was arrested in Atlanta, Ga., recently for assaulting a peace officer during a racial ruckus, was expelled from the CAP unit more than a year ago, according to the unit's public information officer, Lieut. Robert Urkuski. "As soon as we got wind of his activities," said Urkuski, "we threw him out." We can't see how Frankhouser's membership in that worthy organization could in any way diminish the good work the squadron is doing.

Rebulet to Birmingham 10/17/61.

[redacted], Reading, Pa.,
[redacted] and who has asked that his identity
be protected, advised as follows on 10/18/61:

[redacted] returned home Sunday night (10/15/61)
at about 11:30 p.m. Prior to that time, his father
and mother had been able to speak with him on the
phone, having called the Fairfield, Ala., Police De-
partment after a news report about his arrest there
appeared in the Reading papers. [redacted] told his
parents he was "frank" that he had merely been
with [redacted] when the latter was arrested,
and that he intended, through his lawyer, J. B.
SHEEN, to appeal the case.

A Fairfield, Ala., policeman with whom source spoke
said that [redacted] was accompanying [redacted] who was
passing out literature. According to source, Mr.
[redacted] told [redacted] to forget that non-
sense, pay the fine, and return home, and [redacted] in-
dicated he would probably do so. [redacted] again called
his parents Saturday afternoon, 10/18/61, and said
he would come home if his parents agreed to forget
the matter and not try to punish him, and they
agreed.

Since subject has been home, the family, source advised, has made only limited inquiry about the matter and [] has volunteered very little. [] said that he and BOB BRANNHOLM were not together "from youth," but had occasionally conferred by phone. [] said he came home alone by bus and does not know BRANNHOLM's present whereabouts. [] reportedly told his parents that [] and others in the ILLP urged him to vacate his position and return home, and he maintains he did this.

According to source, [] parents do not know what to believe. They have no reason to suspect that [] has come or been in touch with FRANK ROSEN since 10/15/51, but subject's statements do not indicate he has changed his thinking on recognition of the ILLP. However, on the other hand, he has occasionally indicated that he was "playing along" with the group only to travel at their expense and getting a "big bang" out of their activities without involving himself too deeply.

Local newspapers have tried to interview [] and his parents, but have been turned down flatly.

According to source, [] parents hope to persuade him to visit and stay with Mrs. [] parents, Mr. and Mrs. [] Reading, Ill. The [] has a son who works part time for a mortician in Oliver Springs, Ill., and the feels that he can get subject a job with this mortician, learning the undertaking business. Source will advise if [] goes to Reading, Ill.

Source also advised that on Saturday, 10/15/51, the mailman brought to [] home, [] Reading, Pa., several pieces of mail which had been addressed to [] at a Reading, Pa., Post Office Box and which had been stamped "Closed Box." According to the source, subject's parents recognized this as "racial propaganda" and threw it away. One letter was from England; the others from various organizations in several locations. Source will attempt to retrieve this mail for the FBI and will advise of any additional pertinent data coming to his attention.

The USMC Recruiting Officer, Reading, Pa., advised on 10/17/61 that [redacted] had been discharged without ever having been called for training.

A postal service [redacted] (Window Service, U. S. Post Office, Reading, Pa., conceal identity) advised on 10/19/61 that Post Office boxes 431 and 1432 are still open and in the names of Paul George Robinson Cornell and National States Rights Party, respectively. Box 431 had been closed recently a week or so ago, when the mail had expired, but on 10/19/61 a white male, small, about 40 years of age, came in and paid another three months' rent on both. Cornell, who accepted this money, examined a photograph of FRANKMILLER and said he was not the person who made the payments, that he was much too young.

Continued intensive efforts have been made to locate ROY FRANKMILLER and ascertain his current residence and activities, with negative results. The property at 433 South 5th Street, Reading, Pa., owned by FRANKMILLER, Sr., and where FRANKMILLER and [redacted] resided prior to leaving Reading last August, has been sold and FRANKMILLER, Sr., is residing above his barber shop at 233 South 4th Street, Reading, Pa., but this property is also offered for sale (but apparently not sold).

An information copy of this letter is being furnished Baltimore in the event [redacted] moves to Woodbury, Md.

Atlanta, Ga.—A former Reading (Pa.) man Friday waived a hearing here on charges of assaulting a police officer and of carrying a weapon without a license.

Roy E. Frankhouser, Jr., 22, who lived at 433 S. 5th St., Reading, was released under a \$100 bond on each count and ordered to appear before Criminal Court here.

Frankhouser reportedly kicked an Atlanta policeman, Capt. R. E. Little, during a segregation rally sponsored by the Ku Klux Klan about a week ago. Later, Little said, he discovered the man was carrying a tear-gas pistol.

On 5/1/61, [] advised that the NRP is an anti-Semitic, anti-Christian, anti-Negro, and neo-Fascist organization with activities generally confined to the New York City area. The Party's main function is distribution of the "National Renaissance Bulletin" on a monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in NYC. b7D

Authority is granted to establish a mail cover, in accordance with your request, on Post Office Box 3134, Wadsworth Station, Philadelphia 50, Pennsylvania. You should insure that such a mail cover will not cause embarrassment to the Bureau. As you have been informed before in this matter by Bulet 1/6/61, the Bureau desires that mail covers be held to an absolute minimum. However, in view of the position of Roy E. Frankhouser, Jr., as the national organizer of the National States Rights Party, it is believed that such a mail cover would be productive in determining the extent of activities of this organization.

At the conclusion of the 30-day period, you should furnish the Bureau and the office of origin the results of your mail cover.

Re Philadelphia letter to Birmingham, dated
8/25/61.

On August 23, 1961, the Security Unit, Chicago Police Department, an agency which collects security type information in the Chicago, Illinois area (protect - deemed advisable) furnished a report of a meeting of the National States Rights Party on August 19, 1961, at Chicago, Illinois.

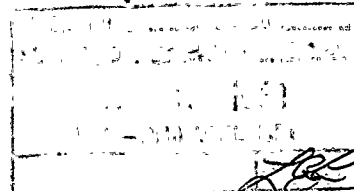

This report stated in part that a meeting of the National States Rights Party of Illinois was held on August 19, 1961, at the LaSalle Hotel, in Parlor B. A co-sponsoring organization was identified as the Fighting American Nationalists (FAN) of Chicago, Illinois. This meeting, according to the report, was delayed from starting at 8:00 PM when several members of the NSRP and FAN left the meeting room to counter-picket a demonstration of the Afro-American Heritage Association, who were conducting a picketing demonstration in front of the hotel.

The attendance at the meeting was approximately 40 persons, predominantly male with perhaps five or six females present. The wall behind the speakers rostrum was covered with a huge "red thunderbolt flag" of the NSRP.

The apparent chairman of the meeting was [redacted] of Chicago, Illinois, [redacted] of the NSRP. [redacted] introduced other speakers of the evening who shared the rostrum with him. These were identified as ROY FRANKHOUSER, National Organizer, NSRP, [redacted], [redacted], NSRP, and [redacted], not identified.

The report stated that all of these speakers at this meeting would easily fall into a classification of being anti-Semites for the general gist of the talks given by these men was that the Jews had taken over America.

Following [redacted], the report continued, [redacted] was the first speaker. He was described as approximately [redacted] years of age, [redacted] approximately 6' tall, and had a very erect stature. [redacted] indicated some European background for himself. He spoke of a recent trip he had made to England where he participated in several weeks of activity with the British National Party which, report states, is the British counterpart of the NSRP. [redacted] told of the Jewish opposition to their public speaking engagements. His talk was short and he urged the audience to do all in their power in this fight for the cause of truth or they will be replaced by someone else who will win the battle in their place.

This report set forth the content of the speeches of [redacted] and [redacted] which followed that of [redacted] both which dealt basically with the anti-Semitic idea.

Report states the last speaker for the evening was ROY FRANKHOUSER, who implored the audience to engage in some activity that will let the Southerners and those in other parts of the world, know they are not fighting alone against this Jewish conspiracy to destroy nations, races, and all decency. FRANKHOUSER was a very dynamic speaker. It was indicated he and one of the other speakers were to leave the following day for Atlanta, where they reportedly were to engage on a full-time basis of fighting the Jewish people.

On August 22, 1961, "[redacted]" (code name), FCI, (RAC), advised that on August 19, 1961, a meeting of the NSRP of Illinois was held between the hours of 8:00 PM to 11:00 PM in Parlor B, LaSalle Hotel, 10 North LaSalle Street, Chicago, Illinois. Present at the meeting were approximately 35 individuals, all of whom were apparently members of the NSRP.

This source stated the meeting was chaired by [redacted] of the NSRP, who was assisted by [redacted], [redacted] of the NSRP. Also present was ROY FRANKHOUSER of Philadelphia, Pennsylvania, the National Organizer of the NSRP. The source stated that according to information disseminated before the meeting the announced purpose of the meeting was to nominate and elect NSRP Officers for Illinois. However, no mention was made of this during the entire evening nor was NSRP business discussed. The source stated that he later heard it rumored that this announcement was made strictly as a "come on" to attract people to the meeting.

The source stated it was the opinion of many present that [redacted] called the meeting solely to speak of his personal activities. He stated that as a member of the audience it was most difficult to associate the meeting with the NSRP in any way. The source added that apparently FRANKHOUSER was displeased with [redacted]'s activities on behalf of the NSRP and as a result gave [redacted] authority to call an NSRP meeting at any time he desired.

The source continued FRANKHOUSER spoke on "taking the pressure off the South" which dealt with the racial situation existing today in the South and the necessity of instituting comparable activities in Northern states to assist in erasing the pressure in the South today.

The source stated that a number of members of the Fighting American Nationalists were present in the audience, some of whom were observed conducting a counterpicketing operation outside the hotel prior to the meeting. He stated the Fighting American Nationalists demonstrated in opposition to a picketing of the meeting by representatives of the African-American Heritage Association (AAHA).

The source stated a collection was taken during the meeting which netted \$67. He stated the meeting was generally regarded as a failure by those with whom he spoke. The source stated nothing was accomplished for the NSRP and it seemed apparent that no Illinois NSRP organization does in fact exist.

CG 105-4630

Regarding the Fighting American Nationalists, this source advised that the organization is a "front group" of the American Nazi Party established in Chicago in November, 1960, for the express purpose of serving as a "training ground for ultimate membership in the American Nazi Party".

On February 15, 1961, [redacted], who has furnished reliable information in the past, advised that the AAHA was organized in Chicago by ISHMAEL P. FLORY, a member of the Negro Commission of the Communist Party of Illinois. The Negro Commission of the Communist Party of Illinois has designated the AAHA as a point of concentration and infiltration.

On November 26, 1957, [redacted], PSI of the Charlotte Division, who has furnished reliable information in the past, advised that the United White Party was organized at a convention in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported that a "Ku Klux Klan spokesman" of Greenville reported the recent formation of a new political party to be known as the "United White Party". According to the article that party was formed at a recently held meeting in Knoxville, Tennessee, at which time many Klansmen were represented. The United White Party was reported as being opposed to all "race mixing organizations and individuals". The July, 1958, issue of "The Thunderbolt", self-described as the official racial nationalist organ of the NSRP, reported that rank and file "States Righters" had merged with the United White Party under the banner of the NSRP.

In November, 1958, [redacted], who has furnished reliable information in the past, advised that the NSRP is composed of past members of the Ku Klux Klan and notorious anti-Semites.

The Ku Klux Klan and the Communist Party of the USA, have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

[redacted] (RAC), who has furnished reliable information in the past, advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, held an organizational meeting of the World Union of Free Enterprise

CG 105-4830

National Socialists at his residence on February 26, 1950. Six persons were present and, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present that the World Union of Free Enterprise National Socialists would be an international movement, but that the section of the organization in the United States would be known as the American Party of the World Union of Free Enterprise National Socialists.

This source advised on May 4, 1960, that ROCKWELL was referring to his organization as the American Nazi Party and that stationery carried the letterhead as the American Nazi Party of the World Union of Free Enterprise National Socialists.

ROCKWELL on May 26, 1959, furnished Special Agents of the Federal Bureau of Investigation a copy of the program of the World Union of Free Enterprise National Socialists, stating that he expects to become President of the United States through the organization's platform. The main tenets of the World Union of Free Enterprise National Socialists as reflected in the program call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

Source advised in May, 1960, that the headquarters of the organization is located at 628 North Randolph, Arlington, Virginia, and that the main activity of the organization since its inception has been the distribution of Anti-Jewish material and open-air talks in the Spring of 1960 on the Mall in Washington, D.C.

On September 20, 1961, "[redacted]", previously mentioned, advised that apparently relations are currently strained between [redacted] and [redacted]. This situation has resulted from the NSRP meeting on August 19, 1961, at which time a collection in the amount of \$67.00 was taken. From this amount [redacted], who is identified as [redacted] of the NSRP, was to pay the cost of the room in which the meeting was held. The balance of the money was to be utilized for the expenses of FRANKHOUSER. The rift arose when [redacted], rather than releasing the money for the use of FRANKHOUSER, kept it for himself.

b7D

As a result [] and [] are "going their own way". In connection with this incident, FRANKHOUSE became irritated at [] and denounced him as being inadequate in his position in Illinois in regard to the NSRP. At the August 19, 1961, meeting FRANKHOUSE gave [] authority to call an NSRP meeting at any time he desired. This in effect, source stated, puts [] more or less out of NSRP activities.

Regarding FRANKHOUSE and [] activities during their stay in Chicago, source advised they arrived by automobile in Chicago on August 19, 1961. They came directly to headquarters of the Fighting American Nationalists at the invitation of [] of Chicago FAN and at the invitation of []. Source stated that [] and FRANKHOUSE had recently purchased a 1947 Chevrolet for \$35 "somewhere in the South" and drove this car to Chicago. Other than their attendance at the NSRP meeting, neither FRANKHOUSE nor [] were known to be active in other matters while in Chicago. Source stated that [] spent most of his time "just loafing" at FAN Headquarters, while FRANKHOUSE utilized this period in Chicago for sightseeing.

Source added that FRANKHOUSE departed Chicago by bus on August 28, 1961, [] having left by bus on August 23, 1961. Both reportedly departed Chicago en route to Atlanta, Georgia.

On October 23, 1961, this same source advised that he has been unable to develop information regarding the contacts or activities of FRANKHOUSE or [] during their August visit to Chicago.

On October 24, 1961, WILLIAM G. PINSLEY, Fact Finding Department, Anti-Defamation League, B'Nai B'Rith, 343 South Dearborn, Chicago (protect - deemed feasible) advised that following a check of sources available to this office, he has been unable to learn of any information concerning the activities or contacts, if any, on FRANKHOUSE and [] during their recent visit to Chicago.

CG 105-4630

In view of the fact that no information has been developed to indicate the actual existence of an NSRP organization in Chicago, no further inquiry concerning this organization is contemplated at this time. Consideration has been given in this regard to the comments of "[redacted]", a member of the NSRP, who has reported that it is apparent that no Illinois NSRP organization does in fact exist at this time. Chicago will, therefore, place this matter in a closed status, but will remain alert through available informants and sources for any indication that the NSRP is in fact formulating a Chicago organization.
